## LTC Bookstore Moves!

During the summer of 2014 we took on the massive task of relocating and remodeling the LTC Bookstore. We originally planned to update the old bookstore and utilize the space to the max. Once we started packing the Bookstore and making room for the renovations, we realized we had a monstrous task at hand. After much deliberation, we decided to move everything out of the old bookstore into the temporary location and make it the permanent Bookstore.

Not only did it save us money, the bookstore gained valuable retail space. The NEW Bookstore has expanded its options. We offer frozen entrees, Hot Pockets, Banquet Dinners, Healthy Choice, and Marie Callender's meals. We also carry ice cream bars, and frozen Greek yogurt. Fresh sandwiches and salads are an option as well.

The coffee bar is always open for your coffee break. Come in and enjoy our cafe style tables and watch satellite TV while you enjoy your break or study time. To help with students studying, our flavors of Cappuccino this season sound scrumptious! S'mores, Cookies and Cream, Hot Butter Rum, and Pumpkin Spice, are just a few of the flavors for this season.

We also stock gifts for last minute giving.

Village Candles are the most popular gifts during the holidays. We carry wax melts, car fresheners, and a variety of candle sizes and scents. One favorite scent is Mulled Cider. Other gifts we carry include flameless candles, teeny twinkle lights, and a variety of seasonal décor items. Christmas is coming soon so be sure to visit to see our full line of pencil trees fully decorated and available for purchase.

If the weather continues to be as beautiful as it has been, please take the time to discover the Frisbee Golf course that was recently added behind the Sports Center. If you don't have Frisbees for the game you can stop in the bookstore and purchase a set of 3 Frisbee golf discs. They can be purchased as a set or individually.

## LTC's Award Winning Phi Theta Kappa Honor Society

Lincoln Trail College's Faculty and Staff are very proud of the organization's active campus involvement and success. Members of the LTC Chapter of the Phi Theta Kappa honor society have worked diligently on several projects and their hard work has been recognized. Beginning with the 2013 National Convention Alpha Iota Epsilon, LTC's Chapter was awarded the Distinguished College Project Award for having completed a project ranked in the top 30 in the nation.

That same year they also earned the Most Distinguished College Project for the State of Illinois. Along with the college project awards several Illinois Regional Awards were earned including: Kim Stevens, the Horizon Award for Advisors; Rex Gower, the Hall of Honor Officer Award; Rose Jinyoo, the Hall of Honor Member Award; and the Officer Team received the Outstanding Officer Team Award.

In 2014 the Illinois Region, LTC Chapter was recognized for the following awards: Kim Stevens was awarded the Hall of Honor Advisor Award, and the Outstanding Member Award was given to Maggie Ruble. A couple of weeks ago, Kim Stevens received recognition for her dedicated years of service to the Chapter and received her pin for Five Years of Service.

The LTC Phi Theta Kappa Chapter has had great success because of the dedication of its members and Advisors,

Lisa Maple and Kim Stevens. We look forward to their future projects and positive commitment to the students, community, and the college.

## BROWN BAG LUNCHEONS CONTINUE

Lincoln Trail College again invites the community to experience a new view of the trail during its monthly Brown Bag Luncheons. Our next luncheon will take place on November 21st.

LTC President Kathryn Harris will lead the luncheon, conducted at noon in the cafeteria. The topic for discussion will be Spring Semester class offerings at the college. Members of the community are invited to bring their lunch or purchase their lunch from the LTC cafeteria. Future luncheons will feature a variety of speakers addressing various topics.

"Lincoln Trail College wants to be part of the community and we want our community to be part of the Trail," Harris said. "Join us as we discuss ways we can grow our community."
