## ACADEMIC CALENDAR & IMPORTANT DATES

Lincoln Trail College (LTC) operates within the framework of the official college semester system. Classes meeting on campus and in facilities other than public schools follow the IECC academic calendar. All classes on LTC's campus and in non-high school facilities, will meet as scheduled unless the president makes a cancellation decision. Classes scheduled by Lincoln Trail College College in high school facilities follow the high school's calendar as it relates to closing due to holidays, teacher institutes, and any weather-related or unexpected circumstance.

Additional semester dates and deadlines can be found here: <https://www.iecc.edu/semesterdates>.

## COLLEGE CATALOG

The current catalog, along with addenda, is available online at <https://www.iecc.edu/catalog>

## ACADEMIC ADVISORS

At LTC, the complete development of a student's abilities is the primary objective. After the application process is complete, each student is assigned an advisor who has specialized knowledge in the student's chosen field. The advisor assists the student in developing an academic plan to meet his or her career goals.

It is the student's responsibility to schedule an appointment each semester with the assigned advisor to select appropriate courses. It is the student's responsibility to be aware of LTC graduation requirements and transfer institution requirements. To ensure continuity, students retain the same advisor throughout their LTC career unless a request for change is made.

## COURSE PLACEMENT

Lincoln Trail College recognizes that student success in college coursework is directly related to appropriate course placement. Therefore, LTC uses multiple measures to determine student placement in college-level courses and admission to a degree or certificate program. [Click here](#) for more information.

## RETENTION COORDINATOR

The Retention Coordinator is on campus to assist you in overcoming barriers that may interfere with or prevent you from completing your field of study. You'll be connected with resources in the college and community to help you succeed.

Degrees and certificates will be mailed directly to the graduate during the summer.)

## TRANSCRIPTS

Current and former IECC students may obtain both unofficial and official transcripts of their education records.

Unofficial Transcripts. There's no charge for unofficial transcripts obtained via a link in a student's Entrata account. Standard charges apply for unofficial transcripts obtained through the Student Records Office. These transcripts will be identified as "Unofficial Transcript". Be advised that most colleges and universities accept only official transcripts submitted to the receiving institution by the college issuing the transcript.

Official Transcripts. There are 2 options for requesting official transcripts:

1. Online at the National Student Clearinghouse. IECC has partnered with the National Student Clearinghouse to process transcripts online. A link from a student's Entrata account provides access to the site where there are easy-to-follow directions to aid in placing the order. A major credit or debit card is necessary.
2. In person in the Student Records Office at the college. A completed transcript request form, photo ID and payment of the fee are required prior to release of the transcript.
