

Section III - Physical/Chemical Characteristics

Boiling Point	N/A	pH	N/A
Vapor Pressure (mm Hg.)	N/A	Melting Point	N/A
Vapor Density (AIR = 1)	N/A	Evaporation Rate n-butyl acetate = 1	N/A

Solubility in Water: Completely Soluble

Appearance and Odor: Dry Colorant; odorless

Section IV - Fire and Explosion Hazard

Flash Point <i>(Method Used)</i>	Flammable Limits	LEL	UEL
N/A	N/A	N/A	N/A

Extinguishing Media

Water, chemical foam or dry chemical extinguisher

Special Fire Fighting Procedures

None

Unusual Fire and Explosive Hazards

None

Section V - Reactivity Data

Stability	Unstable		Conditions to Avoid: None
	Stable	X	

Incompatibility (Materials to Avoid)

None

Hazardous Decomposition or Byproducts

None

Hazardous Polymerization	May Occur		Conditions to Avoid
	Will Not Occur	X	N/A

Section VI - Health Hazard Data**Ingestion:** None **Eye Contact:** None **Skin Contact:** None **Inhalation:** None **Other:** None**Signs and Symptoms of Exposure**

Irritation of eyes may be possible with contact.

Emergency and First Aid Procedures

Eyes: Flush thoroughly with water, including upper and lower lids. If irritation develops or persists, get medical attention.

Section VII - Precautions for Safe Handling and Use**Steps to be taken in Case Material is Released or Spilled**

If dry, vacuum or sweep color up for disposal. If wet, Absorb with paper towels, or other absorbent material. Place in suitable container. Slippery when wet.

Waste Disposal Method

Disposal may be subject to Federal, State/Provincial and local regulations. Check your local ordinances.

Precautions to be Taken in Handling and Storage

Store in a tightly sealed container. Store in cool, dry place.

Other Precautions**For educational use only. Not for clinical or diagnostic use. To be used only with direct supervision of a qualified professional specifically trained in laboratory procedures. This is not real Blood. Do not take or use internally.****Do not inject. Wash hands thoroughly with soap and water after used. Not for drug, food or household use.****Keep out of reach of children.**

Section VIII - Control Measures

Respiratory Protection (Specify Type)

No respiratory protection required. This product can generate dust, so dust masks are suggested.

Ventilation	Local Exhaust none needed	Special None required
	Mechanical None needed	Other None
Protective Gloves	Nitrile	Eye Protection Eye protection is suggested for compliance with Good Manufacturing Practices (GMP)

Other Protective Clothing or Equipment

None Required. Eyewash station in proximity, within 15 sec. of work station is suggested.

Work/Hygienic Practices

Wear protective equipment. Wash hands thoroughly after use. May temporarily stain skin. Use good personal hygiene practices
