International Student Program Services

Housing

Our staff will help you locate housing. We offer on-campus housing, off-campus housing, and a mentor program that connects international students with local families in the community.

Transportation

Our staff will pick you up from the Evansville Regional Airport (EVV), in Evansville, IN. We also provide transportation for weekly grocery shopping and attending local community events. Students living off-campus can use our daily transportation service.

Cultural Trips

We host cultural enrichment trips throughout the school year. Our campuses are centrally located making traveling easy.

American Life

Our staff will help you adapt to American life. IECC campuses offer safe and friendly environments making it easy to create friendships with Americans and other international students.

Student Life

Getting involved on campus is the best way to find friends and make the most of your IECC experience. Our campuses offer numerous clubs and organizations to develop leadership skills and find others who share common interests.

ESL and GED

IECC offers an intensive, academically oriented program in ESL for non-native English speaking students. These students are tested upon arrival to campus and placed in the appropriate level of ESL. IECC will accept 16 year old students without a high school diploma into our GED program.
