STUDENT SERVICES

ADVISEMENT

Students planning to transfer to another college or university, regardless of the program in which they are enrolled, should be aware that the receiving institution makes the final decision regarding transfer of credit. Before enrolling in a degree/certificate program or GECC Credential, students must schedule an advisement appointment through the Student Services Office.

The advisor will assist the student concerning transferability of classes, but the student will need to maintain contact with the transfer institution to facilitate the transfer process. Students can also run a degree evaluation which will help with understanding what degree requirements remain for graduation.

CAREER PLANNING AND PLACEMENT

Career Services is available to assist students with obtaining part-time employment while in school or employment after graduation. Assistance can be obtained through the advising process, through their coursework, and through the Academic Success Centers.

Students can receive assistance with writing résumés, conducting mock interviews, and improving skills in all employment-related areas. Internships in selected programs also offer opportunities for on-the-job experience. For more information, visit www.iecc.edu/careerservices.

The Small World Child Development Center at Wabash Valley College provides day care for children of parents who wish to return to school. The program is licensed by the Department of Children and Family Services with an approved pre-school program. For more information, contact WVC.

For either process, the student must complete the account setup and set a new password.
