

**Articulation Agreement
Between
McKendree University and Illinois Eastern Community College
AAS OMGT to BBA MGT**

This articulation agreement is the result of discussions between McKendree University and Illinois Eastern Community Colleges (IECC). McKendree and IECC agree that both institutions value this cooperative agreement and that this agreement will best serve the current students of both institutions.

Terms and Conditions

Section I: Admissions and Matriculation

McKendree and IECC have developed a four-year program plan to facilitate the most seamless transfer possible for IECC students who complete the Associate in Applied Science Degree in Office Management at Illinois Eastern Community Colleges and desire to earn the Bachelor of Business Administration in Management at McKendree University.

Students who satisfactorily complete the Associate of Applied Science in Office Management requirements with IECC will be admitted to McKendree University.

McKendree and IECC agree to inform potential transfer students of the existence of this institutional articulation agreement and the advantages of pursuing the articulated programs.

Section II: Transfer of credit

McKendree University agrees to accept a maximum of 90 semester hours of credit from the IECC graduate who seeks to complete a baccalaureate degree at McKendree. McKendree University will communicate specific options for students and give careful consideration to all previously completed courses. Courses in addition to those used to earn the Associate in Applied Science Degree in Office Management at IECC will be evaluated individually to determine which are transferable and what requirements have been met. Completion of the Associate in Applied Science Degree in Office Management fulfills all general education requirements with McKendree University.

Section III: Program Plan

The four-year program plan for the BBA in Management is included at the end of this agreement. These plans will specify the student degree course plan and transfer credit requirements.

Degree course plans will be reviewed by both McKendree University and Illinois Eastern Community Colleges representatives on an annual basis, and revised or updated as needed to reflect any changes in the degree requirements.
