Costs of textbooks, other required educational materials, and any fees must be paid by the student. Only one scholarship from the above-mentioned categories will be awarded per student. Recipients of any scholarship and award may be required to enroll in predetermined classes. All scholarships awarded by Wabash Valley College are credited to a student's account after any outside awards, scholarships or financial aid monies are applied to the student's account. Students who receive an Illinois Student Assistance Commission Monetary Award will have their tuition paid by the State of Illinois, but will still be recognized as a recipient of one of the above listed scholarships.

These scholarships and awards listed are awarded to incoming students for their first year at Wabash Valley College. Sophomore-level scholarships are also available at Wabash Valley College through a separate application process. **Recipients of the Faculty Transfer Scholarships and the Faculty Career and Technical Education Awards are eligible to apply for the Wabash Valley College Sophomore Scholarship at the end of their freshman year.**
