Concealed Carry Courses

- The courses provide the required 16 hours of firearms training, including classroom and range instruction.
- Classes meet on Thursday and Friday evenings in the classroom and Saturday at the shooting range.
- Instructed by Certified Firearms Instructors.
- Gain the information required by the Concealed Carry Act and how to safely handle a handgun.
- Learn how to maintain the proper mindset, skills, and abilities that come with “bearing arms”
- Open to both beginners and the experienced.
