Digital Photography Classes
Starting Mach 2015

Photography I - Fairfield
The 8-week beginner digital photography meets on Thursday evenings, 6pm to 7:40 p.m. in FCC’s Workforce Development Center, room 31. This class is open to anyone with a DSLR or point-and-shoot camera with manual mode settings. Jason Gualdoni will discuss how to capture an image under a variety of circumstances, the use of light, the Rule of Thirds, checking the background, depth of field, “light painting”, and developing the student’s own style. He will also discuss aperture (F-stops), shutter, and ISO. This is a 1 semester hour class and runs March 19-May 14. Refer to CRN 62796 when registering.

Photography II – Lawrenceville
Instructor Ed Brumley will continue to focus on the basic techniques of digital photography along with photo editing. Topics will include the basics of shooting such as, exposure and lighting, reducing red eye, adjusting color, cropping, storing photos, and sharing with others on the Internet. This is a hands-on class, and students will sit at a computer using Google Picasa for editing (a free online program). All students will need a digital camera that can be a simple point and shoot or a professional grade DSLR. This 1 semester hour class will run March 17 – May 12. It meets on Tuesday evenings, 6 p.m. – 7:40 p.m. at the Lawrenceville High School, room 501.

Tuition
A PM Tuition Reduction is available on classes that start at 6 p.m. or after, up to 4 hours in the IECC District. The tuition is $20 per semester hour plus the $15 in fees. Individuals age 60 or older, tuition is waived.

To register call (618) 842-3711 or 1-877-464-3687.
Digital Photography is intended to be a fun class where students can learn and improve their skill. Grab a friend or spouse and enroll together! To register, call Frontier Community College at (618) 842-3711 or 1-877-464-3687.
