#6-A. 500.30 Withdrawal Policy: Revisions to the policy were outlined to specifically address student initiated withdrawals and administrative withdrawals after the refund period as follow:

STUDENT - 500

Withdrawal Policy (500.30)
Date Adopted:

This policy will be effective beginning the Fall 2016 semester.

Students may add, drop, or withdraw from courses during specifically set forth days as established by IECC and published in the official academic calendar, the college catalog, and in the procedures manual.

Refund Period
A refund of 100 percent of the tuition and fees will be made to a student who withdraws during the first 10 business days of a sixteen-week course period and the first 5 business days of an eight-week course period or the proportionate time of any other course not conforming to a sixteen-week or eight-week schedule.

Academic Record
Courses dropped before the start of a semester do not become part of a student’s academic record. If a student withdraws during a refund period, a W (withdraw) becomes part of the student’s academic record. A student who withdraws after
the refund period also will have a W as part of his or her academic record. Failure to follow the official withdrawal policy will result in a grade of F.

**Student Initiated Drop or Withdrawal**
Each student is responsible for initiating a drop or withdrawal request by contacting Student Services at each college and completing a Course Change Form (withdrawal form). The student is encouraged to meet with the instructor, his or her Retention Coordinator, and the Financial Aid Officer before withdrawing from any course.

Withdrawal requests must be received in Student Services no later than two weeks prior to the end of any regular length semester. Students are advised to contact Student Services for withdrawal deadlines for courses not conforming to a sixteen-week schedule.

**Administrative Withdrawal**
Prior to an administrative withdrawal, the instructor should submit a Progress Report to allow the Retention Coordinator or academic advisor to contact the student. If there is no resolution, i.e. a student-initiated withdraw, an instructor may recommend an administrative withdrawal after mid-term if a student who ceases to attend or whose pattern of absences causes the faculty member to seriously question the intent of the student to further pursue the course. The administrative withdrawal must be approved by the Dean of Instruction. The Student Services/Student Records Office will notify the student and Financial Aid Director of the student’s administrative withdrawal.

Faculty may request to withdraw a student from their courses with a failing grade due to plagiarism, cheating, or other gross infractions as stated in the attendance and academic integrity policy and statements on the course syllabi upon review and approval by the Dean of Instruction.

IECC also has the authority to administratively withdraw a student from classes for the following reasons:
- Registration in violation of college regulations and requirements (academic ineligibility to register);
- Failure to pay tuition and fees by established due date;
- Disciplinary suspension or dismissal for the remainder of an academic semester or longer;
- Severe psychological or health problems such that a student cannot be permitted to continue in attendance; and
- Other reasons deemed appropriate by the proper administrative staff such as the President or Dean of Instruction.

Policy to Protect Academic Standing of Dual Credit Students (Policy 500.29) specifically applies to students who are not successful in dual credit courses that follow the high school calendar and may withdraw from the college course after the college drop date to protect their academic standing.
**Recommendation:** The CEO recommended that second reading be waived and that the revised foregoing 500.30 Withdrawal Policy be approved.

**Board Action:** Trustee Brenda Culver made a motion to waive second reading and approve 500.30 Withdrawal Policy as recommended. Trustee Gary Carter seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Brenda Culver, Andrew Fischer, Al Henager. Student advisory vote: Yea. Trustees voting nay: None. Trustees absent: Michael Correll, Marilyn Wolfe. The motion having received 5 yea votes and 0 nay votes, the Chair declared the motion carried.

**AGENDA #7– “Policy Second Readings”** – None.

**AGENDA #8 – “Staff Recommendations for Approval”** – The following staff recommendations were presented for approval.

**#8-A. Employee Satisfaction Survey Results:** Each fall, IECC employees are given the opportunity to review the operation of the District and its four colleges. Employees identify their work location, classification, whether they were employed full or part-time and their years of service. Detailed survey results were emailed to the members of the Board. For Fiscal Year 2016, the survey results show that employees are largely satisfied with their employment and the operation of the District.

   The CEO recommended acceptance of the Employee Satisfaction Survey Results.

   **Board Action:** Trustee John Brooks made a motion to accept results of the Employee Satisfaction Survey Results as recommended. Student Trustee Drew Halter seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Brenda Culver, Andrew Fischer, Al Henager. Student advisory vote: Yea. Trustees voting nay: None. Trustees absent: Michael Correll, Marilyn Wolfe. The motion having received 5 yea votes and 0 nay votes, the Chair declared the motion carried.

**#8-B. Agreement with FIRMSYSTEMS:** The District is required to have a prepared background check and to fingerprint all students involved in the Certified Nurse Assistant (CNA) Program. It was proposed the District begin using FIRMSYSTEMS for this service. The cost would remain the same as currently charged at $29.00 per student. This agreement would be effective January 20, 2016.

The CEO recommended that the Agreement with the Fairfield Park District be approved as follows:

**INTERGOVERNMENTAL AGREEMENT**

THIS AGREEMENT is made _________________, 2015, by and between Illinois Eastern Community College District No. 529/Frontier Community College, hereinafter referred to as Frontier and the Fairfield Park District of Fairfield, Illinois, a unit of local government, located in Fairfield, Illinois, hereinafter referred to as the Park District.

WITNESSETH:

WHEREAS, the Park District, as Lessee holds two leaseholds expiring December 31, 2022, unless sooner cancelled by the Lessor, covering three softball/baseball diamonds located at Southwest Park, Fairfield, Illinois, and this agreement concerns the middle softball diamond; and

WHEREAS, the parties hereto are desirous of developing said softball diamond for the mutual benefit of the students of Frontier and the residents of the Park District as a recreational facility; and

WHEREAS, the Park District has made numerous improvements to the softball diamond to accommodate the requirements of Frontier for college level softball and Frontier has agreed to reimburse the Park District for these improvements; and

WHEREAS, the parties have agreed to these improvements and hereby agree that the improved softball diamond shall continue to be leased and managed by the Park District pursuant to the terms of this Agreement:

WHEREAS, Article 8, Section 10 of the Constitution of the State of Illinois authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or by ordinance; and

WHEREAS the parties have determined that it is in the best interests of the students of Frontier and the residents of the Park District, for the parties to enter into this Agreement with respect to the modification and improvement of the softball diamond and to carry out the purposes of this Agreement; and the governing bodies of each party hereto have adopted an ordinance or resolution approving this Intergovernmental Agreement and authorizing its execution.

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein and of other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **Modifications Required by Frontier for College Level Usage of the Softball Diamond**
Frontier shall, at its sole expense, make all necessary changes to the softball diamond to comply with college requirements. Said changes shall be agreed to and made in cooperation with the Park District. The Park District and Frontier have agreed upon a basic list of required changes and such changes have been made as agreed. Frontier agrees to pay for these modifications. Once the softball diamond modifications have been fully executed, Frontier shall assume sole responsibility for the maintenance and upkeep of the softball diamond as contained within the existing fencing, and including...
such fencing and related poles. Frontier and the Park District agree to discuss and mutually agree upon development of any improvements beyond and outside of the existing fence, including but not limited to, bleachers, structures, and signage. It is anticipated that such improvements will be done at the expense of Frontier.

2. Scheduling and Shared Use of the Softball Diamond
   Priority shall be given to the use of the softball diamond by Frontier. Use of the softball diamond shall be scheduled between the designated representative of the Park District and the designated representative of Frontier. The Park District and Frontier shall cooperate as necessary to make scheduling changes and to avoid scheduling conflicts. Frontier shall have staff in attendance at Frontier usage for purpose of supervision when the softball diamond is used for Frontier purposes. In the event of a disagreement among the parties as to any matter covered by this paragraph, the decision of Frontier with regard to such issue shall be final, but Frontier shall give due deference to the Park District in decisions. All other disagreements are covered by paragraph 7 of this agreement.

3. Liability Insurance and Indemnification
   Each of the parties hereto shall maintain general liability insurance having liability limits in an amount not less than One Million Dollars ($1,000,000.00) in force at such party’s expense at all times during the term of this agreement and shall name the other party as an additional insured with respect to such policies of insurance. Proof of such insurance shall be given by each party by way of a certificate of insurance to be provided to the other party no less frequently than annually and when otherwise requested by the other party.

   The Park District agrees to defend, indemnify and hold harmless Frontier, its officers, agents, and employees harmless of and from all liabilities and claims of liabilities arising out of the Park District’s use of the facility and by the general public of the facility, except to the extent that such liabilities and claims arise out of the direct or indirect conduct, act, or omission of Frontier.

   Frontier agrees to defend, indemnify, and hold harmless the Park District, its Commissioners, officers, agents, and employees harmless of and from all liabilities and claims of liabilities arising out of Frontier’s use of the facility, when scheduled for use by Frontier, except to the extent that such liabilities and claims arise out of the direct or indirect conduct, act, or omission of the Park District.

4. Terms of Agreement
   This Agreement shall be effective upon execution hereof by both of the parties hereto after approval by their respective governing boards and shall continue for the duration of the existing leaseholds of the Park District and any extension or renewal thereof through and including July 1, 2040, unless sooner terminated by the Lessor’s. Unless either party notifies the other within the last year of this agreement, this agreement shall terminate at the date specified. If neither party exercises its right of termination or extension of the initial term or of its desire not to extend the Agreement, the Agreement shall be extended for additional successive one year terms upon the same terms as then existing. In the event of the termination of this Agreement by either party as above provided, such party shall be responsible for all obligations incurred by it during the term of this Agreement. Upon termination of the Agreement, all real estate and improvements made subject hereof shall be the sole property of the Park District.

5. Binding Effect
   This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and assigns; provided, however, that neither party shall have the right to assign its interest in this Agreement either voluntarily or by operation of law without the prior written consent and approval of the other party.
6. Amendment
This Agreement constitutes the entire agreement of the parties and may be altered, modified or amended duly upon the written consent and agreement of both parties after approval by the governing body of each party as required by law.

7. Arbitration
It is hereby agreed that in case of any disagreement or difference shall arise at any time hereafter between the parties hereto, or any person claiming under them, in relation to this Agreement, either as the construction or operation thereof or the respective rights and liabilities thereunder, such disagreement or difference shall be submitted to the arbitration of two persons, one to be appointed by each party to this Agreement, and the third to be appointed by the two so appointed. If either party shall refuse or neglect to appoint an arbitrator and served written notice thereof upon the other party requiring it to appoint an arbitrator, then the arbitrator so first appointed shall have the power to proceed to arbitrate and determine the matters of this Agreement or difference as if he were the arbitrator appointed by both the parties hereto for that purpose, and his decision in writing shall be final, provided such decision shall be made within twenty (20) days after the reference of said arbitrators. All decisions of the arbitrators shall be binding upon the parties hereto as if entered by a court of competent jurisdiction.

8. Notices

9. Severability
If for any reason any provision of this Agreement is determined by the Court of competent jurisdiction to be invalid or unenforceable, that provision shall be deemed to be severed and this Agreement shall remain in full force and effect with the provision severed or modified by Court Order provided that said provision determined invalid does not substantially impair the intent or substance of this Agreement so that the purposes of this Agreement are not fulfilled and the benefits to the parties hereto are not realized. If said provision does substantially impair the intent or substance, the parties shall attempt to agree on an amendment to this Agreement to address the changes necessary as a result of said Court determination. However, if the parties are unsuccessful in negotiating an amendment, this Agreement shall terminate.

10. Waiver of Performance
The waiver by either party of any term, covenant or condition herein, or the failure of such party to insist upon strict and prompt performances therewith, shall not be deemed or construed to constitute a waiver of such terms, covenant or condition, which shall remain in full force and effect and shall continue to be subject to enforcement.
11. Governing Law and Exclusive Jurisdiction
This Agreement shall be construed and interpreted in accordance with the laws of the State of Illinois.

12. Authority of Officers
Each of the parties hereto represent and warrant that the officers executing this Agreement for and on behalf of such party are fully authorized and empowered by the governing body of such party to make, execute and deliver this Agreement for and on behalf of such party.

**#9-B. West Richland Center - 2016 Semi-Tractor for Truck Driving Program**: The following bid recommendation is based upon the lowest responsible bid, considering conformity with specifications, terms of delivery, quality and serviceability.

The lowest bid tractor did not include a “wet kit” while the tractor recommended does include the wet kit. The truck specs included a power take off (PTO) to operate a hydraulic pump to raise and lower attached trailers. To operate the PTO, a wet kit is necessary to handle the hydraulic fluid necessary to operate the hydraulic pump. The wet kit is necessary to make the truck complete for its intended purpose.

Business Phrocedure 300.21 allows the District to award bids to the vendor whose bid is responsive to the solicitation and is most advantageous to the District when considering price, quality, and other factors. Because the recommended tractor includes a wet kit, it is deemed more advantageous to the District.

The Bid Committee recommends acceptance of the base bid received that meets all specifications from VoMac Truck Sales for a total of $123,918.82, and also acceptance of the bid for Alternate #1 from VoMac Truck Sales for a 3-year extended warranty beyond the factory warranty for $15,817.00. The total bid recommendation for both the base bid and the warranty is $139,735.82.

Board Policy 500.14 Tuition Waiver
MEMORANDUM

TO:    Board of Trustees
FROM:  Terry L. Bruce
DATE:  February 16, 2016
RE:    Board Policy 500.14 Tuition Waiver

Pursuant to Board Policy 500.14, the District waives tuition for in-district students for credit hours taken exceeding 16 per semester. This applies only to in-district hours.

The Cabinet recommends that the 16 hour Tuition Cap Waiver be eliminated and that the District charge for these hours. Using this waiver, the District currently waives tuition on approximately 4,000 credit hours per year. Eliminating the waiver could generate in excess of $300,000 for the District. The Cabinet believes that the impact on enrollment by eliminating the waiver will be minimal.

I recommend that the Board eliminate the Tuition Cap Waiver by amending Policy 500.14. The recommended revised policy is attached.

A. Senior Citizens: Tuition is waived for residents of the District who are 60 years or older. Non-credit course fees are not waived.

B. Full-Time Employees: It shall be the policy of the Board of Trustees that tuition shall be waived for all full-time employees (current or SURS qualified retirees) of the District and members of their immediate family. Members of the immediate family shall be defined as the spouse and dependents of full-time employees who are under 24 years of age, not married, and currently reside in-district with either one or both parents, one of which is a full time employee. However, a spouse or dependent who has been convicted of criminal conduct that would threaten staff or student health, welfare, or safety; or who was discharged for cause from district employment, shall not be entitled to a tuition waiver.

In the event of a full-time employee’s death during their active employment with IECC, their dependents will be given a waiver of in-district tuition to be used during their college career if they are under 24 years of age, not married and currently reside in district. Articulation Agreement Between University of Southern Indiana and IECC
MEMORANDUM

TO: Board of Trustees

FROM: Terry L. Brue

DATE: February 16, 2016

RE: Articulation Agreement between University of Southern Indiana and IECC

The University of Southern Indiana (USI) and IECC currently cooperate and coordinate the District’s Sport Management Program with USI. The following 2 + 2 program articulation agreement between USI and IECC formalizes our current practice that exists between the Sport Management program offered by IECC and the Sport Management Program offered by USI.

This agreement confirms that all the relevant credit hours earned by students who complete graduation requirements for the Sport Management Program at one of the IECC colleges will be accepted into and serve to fulfill all lower division requirements for the Sport Management Program at USI. Thus, students who graduate having completed all degree requirements in the Sport Management Program at one of the IECC colleges will be eligible for full junior level standing in the Sport Management Program at USI.

I recommend the Board’s approve of this agreement.

Agenda Item #8B

Identity Theft Prevention Program Status Report
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: February 16, 2016
RE: Identity Theft Prevention Program Status Report for 2015

Illinois Eastern Community Colleges participates in the Federal Direct Student Loan Program, offers institutional loans to students, and administers a tuition payment plan that allows qualified students to pay their tuition and fees throughout the semester. Therefore, IECC is a “creditor” and student accounts are “covered accounts” subject to the Red Flags Rule which required IECC to develop and implement an identity theft prevention program. IECC’s Identity Theft Prevention Program and Identity Theft Prevention Policy 100.23 were developed and approved by the Board on March 17, 2009.

In January of 2016, the Identity Theft Prevention Team reviewed and updated the prevention program as necessary. No major updates were made to the current Identity Theft Prevention Program. The Team will continue to annually review the program and provide identity theft and red flag training to their assigned departments and areas. The Release of Student Information Guidelines are included as part of the identity theft training. In 2015, training was completed in these areas between February 2015 and March 2015.

There was one report of a possible red flag issue in 2015. The possible breach involved the mailing of employment paperwork from Frontier Community College (FCC) to the IECC District Human Resource Office. The information breached contained mailing addresses, driver’s license, social security number and banking information. The information was mailed using the postal service from FCC and the package was never received at the District Office. A mail recovery search was requested, however, the Olney Postmaster indicated that nothing could be done unless the envelope had a tracking number, which it did not. The Postmaster indicated that items which are lost within the postal service are sent to the Mail Recovery Center in Atlanta, GA and then shredded.

IECC does not believe any of the personal information was misused, however, appropriate actions and notifications were completed to assist in the detection of any identity theft and additional actions and account monitoring will be implemented if deemed necessary.

I recommend the Board’s acceptance of the IECC’s Identity Theft Prevention Program Status Report for 2015.

Identity Theft Prevention Program

Approved by the Cabinet: February 3, 2016
Approved by the Board of Trustees: February 17, 2016
  (pending)
Background
The Federal Trade Commission (FTC), the federal bank regulatory agencies, and the National Credit Union Administration (NCUA) issued regulations (Red Flags Rule) requiring financial institutions and creditors to develop and implement written identity theft prevention programs. The Red Flags Rule was developed pursuant to the Fair and Accurate Credit Transaction (FACT) Act of 2003. Under the Rule, financial institutions and creditors with covered accounts must have identity theft prevention programs to identify, detect, and respond to patterns, practices, or specific activities that could indicate identity theft. The Red Flags Rule became effective January 1, 2008, with a mandatory compliance date of November 1, 2008; however, on October 22, 2008, the FTC granted a delay of enforcement of the new Red Flags Rule until May 1, 2009.

IECC Identity Theft Prevention Program Requirement
Illinois Eastern Community Colleges participates in the Direct Student Loan Program, offers institutional loans to students, and administers a tuition payment plan that allows qualified students to pay their tuition and fees throughout the semester. Therefore, IECC is a creditor and student accounts are covered accounts subject to the Red Flags Rule which requires IECC to develop and implement an identity theft prevention program.

The Red Flags Rule allows Illinois Eastern Community Colleges to design and implement an identity theft prevention program that is appropriate to our size, complexity and the nature of our operation. Programs must contain reasonable policies and procedures to:

- identify relevant “Red Flags” and incorporate them into the program;
- detect the red flags that the program incorporates;
- respond appropriately to detected red flags to prevent and mitigate identity theft; and
- ensure that the program is updated periodically to reflect changes in risks.

Definitions
Red Flag – A red flag is a pattern, practice, or specific activity that indicates the possible existence of identity theft.
Identity Theft – Identity theft is a fraud committed or attempted using the identifying information of another person without authority.
Covered Account – A covered account is a consumer account designed to permit multiple payments or transactions. These are accounts where payments are deferred and made periodically over time such as a tuition or fee installment payment plan. Student accounts and loans administered by IECC are covered accounts.
Creditor – A creditor is defined as someone who regularly extends, renews or continues credit. Illinois Eastern Community Colleges is considered a creditor due to our participation in the following activities:

- Participation as a school lender in the Federal Direct Student Loan Program;
- Offering institutional loans to students, faculty, or staff;
- Offering a plan of payment or fees throughout the semester, rather than requiring full payment at the beginning of the semester.

Personal Information – Personal information is identifying information which is any name or number that may be used, alone or in conjunction with any other information, to identify a specific person including: name, address, telephone number, social security number, date of
birth, government issued driver’s license or identification number, alien registration number, government passport number, employer or taxpayer identification number, computer’s Internet Protocol address, or routing code.

**Red Flags**

Red Flags are relevant patterns, practices, and specific activities that signal possible identity theft and fall in the following five categories:

- alerts, notifications or warnings from consumer reporting agencies;
- suspicious documents;
- suspicious personally identifying information, such as a suspicious address change;
- unusual use of, or other suspicious activity related to, a student account; and
- notices from students, victims of identity theft, law enforcement authorities or other persons regarding possible identity theft in connection with student accounts held by IECC.

**Identification and Examples of Red Flags**

In order to identify relevant Red Flags, IECC has reviewed the types of accounts offered and maintained, the methods provided to open and access these accounts, and previous experiences with identity theft. IECC identified the following twenty-six (26) Red Flags in the below five categories.

**Alerts, Notifications, or Warnings from Consumer Reporting Agency**

1. If a fraud or active duty alert is included with a consumer report.
2. If a consumer reporting agency provides a notice of credit freeze in response to a request for a consumer report.
3. If a consumer reporting agency provides a notice of address discrepancy.
4. If a consumer report indicates a pattern of activity that is inconsistent with the history and usual pattern of activity of an application, such as:
   a. A recent and significant increase in the volume of inquiries;
   b. An unusual number of recently established credit relationships;
   c. A material change in the use of credit, especially with respect to recently established credit relationships, or
   d. An account that was closed for cause or identified for abuse of account privileges by a financial institution or creditor.

**Suspicious Documents**

5. If documents provided for identification appear to have been altered, forged or inauthentic.
6. If the photograph or physical description on the identification is not consistent with the appearance of the student presenting the identification.
7. If other information on the identification is not consistent with the information provided by the student.
8. If other information on the identification is not consistent with readily accessible information that is on file with Illinois Eastern Community Colleges, such as a signature on a registration form or other document.

9. If a document appears to have been altered or forged, or gives the appearance of having been destroyed and reassembled.

**Suspicious Personal Identifying Information**

10. If personal identifying information provided is inconsistent when compared against external information sources used by Illinois Eastern Community Colleges such as inconsistent birth dates or addresses.

11. If personal identifying information provided by the student is not consistent with other personal identifying information provided by the student. For example, there is a lack of correlation between the SSN range and the date of birth.

12. If personal identifying information provided is associated with known fraudulent activity as indicated by internal or third-party sources used by Illinois Eastern Community Colleges. For example;
   a. The address on the document is the same as the address provided on a fraudulent document, or
   b. The phone number on the document is the same as the number provided on a fraudulent document.

13. If personal identifying information provided is a type commonly associated with fraudulent activity as indicated by internal or third-party sources used by Illinois Eastern Community Colleges. For example:
   a. The address on the document is fictitious, a mail drop or a prison; or
   b. The phone number is invalid or is a pass through to a pager or answering service.

14. If the SSN provided is the same as that submitted by other students.

15. If the address or telephone number provided is the same as or similar to the address or telephone number submitted by an unusually large number of other students.

16. If the student fails to provide all required personal identifying information on a document or in response to notification that the information is incomplete.

17. If personal identifying information provided is not consistent with personal identifying information that is on file with Illinois Eastern Community Colleges.

18. If Illinois Eastern Community Colleges uses challenge questions, the student cannot provide authenticating information beyond that which generally would be available from a wallet or consumer report.

**Unusual Use of, or Suspicious Activity Related to, the Student Account**

19. If shortly following the notice of a change of address for a student account, Illinois Eastern Community Colleges receives a request for the addition of other authorized users on the account.
20. If a student account is used in a manner commonly associated with patterns of fraud. For example, the student fails to make the first payment or makes an initial payment but no subsequent payments.

21. If a student account is used in a manner that is not consistent with established patterns of activity on the account. For example, nonpayment when there is no history of late or missed payments or a material change in usage patterns.

22. If a student account that has been inactive for a reasonably lengthy period of time is used.

23. If mail sent to the student is returned repeatedly as undeliverable although transactions continue to be conducted in connection with the student’s account.

24. If Illinois Eastern Community Colleges is notified that the student is not receiving paper account statements.

25. If Illinois Eastern Community Colleges is notified of unauthorized charges or transactions in connection with the student’s account.

**Notices from Students, Victims of Identity Theft, Law Enforcement Authorities or Others**

26. If Illinois Eastern Community Colleges is notified by a student, a victim of identity theft, law enforcement authorities or other persons regarding possible identity theft in connection with student accounts held by IECC.

**Detection and Response to Red Flags**

**Detection**

In order to detect any of the Red Flags identified above associated with student accounts, IECC staff will take the following steps to obtain and verify the identity of a student by:

- Requiring certain identifying information such as name, date of birth, academic records, home address, mother’s maiden name, or other identification; and
- Verifying the student’s identity at time of issuance of any student records, academic information or financial aid by reviewing driver’s license or other government-issued photo identification.

For existing student accounts, IECC staff will take the following steps to monitor transactions on an account by:

- Verifying the identification of students if they request information in person, via telephone, via facsimile or via email;
- Verifying the validity of requests to change billing address by mail or email and providing the student with a reasonable means of promptly reporting incorrect billing address changes; and
- Verifying changes in banking information given for billing and payment purposes.
Response
In the event IECC staff detects any identified Red Flags, action steps may include, but are not limited to, one or more of the following, depending on the degree of risk posed by the Red Flag:

- Monitoring a student account for evidence of identity theft;
- Contacting the student;
- Changing any passwords, security codes or other security devices that permit access to a student account;
- Reopening a student account with a new account number;
- Providing the student with a new identification number;
- Not opening a new student account;
- Closing an existing student account;
- Not attempting to collect on a student account or not selling a student account to a debt collector;
- Notifying law enforcement;
- Filing or assisting in filing a Suspicious Activities Report; or
- Determining that no response is warranted under the particular circumstances.

Any employee who detects a Red Flag associated with student enrollment will notify the Assistant Dean of Student Services or the Director of Admissions. Employees who detect a Red Flag with a student account will notify the college’s Director of Business or the Director of Financial Operations at the District Office. The Financial Aid Office shall be notified if any Red Flag is detected within the financial aid area. Any Information Technology related Red Flag will be reported to the Director of Information and Communications Technology. All detections of Red Flags will be reported to the College Deans and the Dean of Academic and Student Support Services. The Identity Theft Prevention Team will review any staff reports regarding the detection of Red Flags and the steps for preventing and mitigating identity theft. The flowchart below outlines this reporting process:
Identity Theft Prevention Team
Rita Adams    Program Dir, College Support Services
Chris Cantwell  Chief Academic Officer
Bonnie Chaplin  Director of Financial Operations
Alex Cline   Director of Information and Communications Technology
Doug Shipman  Director of Business
Tiffany Cowger  Assistant Dean of Student Services

Prevention and Protection of Student Identifying Information
In order to prevent and mitigate identity theft, IECC will take the following steps with respect to internal operating procedures to protect student identifying information:
- Ensure IECC website is secure or provide clear notice that the website is not secure;
- Ensure complete and secure destruction of paper documents and computer files containing student account information when a decision has been made to no longer maintain such information;
- Ensure office computers with access to student account information are password protected;
• Limit use of social security numbers;
• Ensure computer virus protection is up to date;
• Require and keep only student information that is necessary for college purposes; and
• Provide identity theft information on IECC’s webpage in the Consumer Information/Student Right to Know section.
• Provide Release of Student Information Guidelines to new and current staff who work with student accounts, student records, financial aid or other personal identifiable information.

Program Administration
Program Oversight and Reports
The Identity Theft Prevention Program is the responsibility of the administration of the District Office and the Colleges. Approval of the initial program and policy must be appropriately documented and approved by the Cabinet and the Board of Trustees. The Dean of Academic and Student Support Services is responsible for developing and implementing the program. An Identity Theft Prevention Team was formed and is responsible for monitoring and updating the program. The Identity Theft Prevention Team is responsible for ensuring appropriate training of IECC staff on the program, for reviewing any staff reports regarding the detection of Red Flags, and for reviewing the steps for preventing and mitigating identity theft. The Dean will report annually or as needed to the Cabinet on the effectiveness of the program, significant incidents involving identify theft and IECC’s response, and recommendations for material changes to the program. The Dean will update the program as necessary.

Training
IECC staff with responsibilities in the areas of student accounts, student records, and financial aid will receive annual training as part of this prevention program. Training shall include detection and recognition of red flags, appropriate handling of notices, and action steps. Staff training shall be conducted for any other employees and all new employees for whom it is reasonably foreseeable may come into contact with student accounts or personally identifiable information. To ensure maximum effectiveness, employees will continue to receive additional training as changes to the program are made.

Service Provider Arrangements
In the event IECC engages a service provider to perform an activity in connection with one or more student accounts, IECC will take the following steps to make every reasonable effort that the service provider performs its activity in accordance with policies and procedures designed to detect, prevent, and mitigate the risk of identity theft.

1. Provide service providers with IECC’s Identity Theft Prevention Program; and,
2. Request service providers to certify that they have received, and will abide by IECC’s Identity Theft Prevention Program, and will report any Red Flags to the IECC employee with primary oversight of the service provider.

Program Updates
The Identity Theft Prevention Team will periodically review and update this program to reflect changes in risks to students and the soundness of IECC from identity theft. The
program will be re-evaluated to determine whether all aspects are up to date and applicable in the current business environment. Red flags will be reviewed and may be revised, replaced, or eliminated as determined.

**Program Status and Report as of February 2016**

In January of 2016, the Identity Theft Prevention Team reviewed and updated the prevention program as necessary. No major updates were made to the current Identity Theft Prevention Program. The Team will continue to annually review the program and provide identity theft and red flag training to their assigned departments and areas. The Release of Student Information Guidelines are included as part of the identity theft training. In 2015, training was completed in these areas between February 2015 and March 2015.

There was one report of a possible red flag issue in 2015. The possible breach involved the mailing of employment paperwork from Frontier Community College (FCC) to the IECC District Human Resource Office. The information breached contained mailing addresses, driver’s license, social security number and banking information. The information was mailed using the postal service from FCC and the package was never received at the District Office. A mail recovery search was requested, however, the Olney Postmaster indicated that nothing could be done unless the envelope had a tracking number, which it did not. The Postmaster indicated that items which are lost within the postal service are sent to the Mail Recovery Center in Atlanta, GA and then shredded.

IECC does not believe any of the personal information was misused, however, appropriate actions and notifications were completed to assist in the detection of any identity theft and additional actions and account monitoring will be implemented if deemed necessary.

Annual Report of 403(b)
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: February 16, 2016
RE: Calendar Year Report – 403(b) Plan

Since 2009, the District has administered the IECC 403(b) Plan for the benefit of its employees using an IRS approved plan provided by our plan advisor, J. W. Terrill Retirement Services. Submitted for the Board’s review and acceptance is the Calendar Year 403(b) Plan Report.

Under the plan employees can defer salary, up to IRS determined limits, into many different investment alternatives provided by the plan. The IECC plan promotes diversification and investing based on an employee’s chosen risk tolerance.

There is currently no matching contribution by the District, however employee participation is encouraged and the benefits of participation are explained to employees throughout the year. Plan assets at December 31, 2015 totaled $2,647,000.

The Board, CEO, and CFO have a fiduciary responsibility to monitor the plan. Due to its size, a copy of the monitoring report has been sent to the Board under separate cover.

I ask the Board’s acceptance of the Calendar Year 2015 Report for the IECC 403(b) Plan.

Ruth Henry Stage Dedication
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: February 16, 2016
RE: Ruth Henry Stage Dedication

Ruth Henry directed theater productions at Olney Central College until her death on November 19, 2015. She served as Director and Adjunct Instructor for more than 40 years and oversaw the development of drama and other programming in the John D Stull Performing Arts Center. Ruth also taught piano and voice lessons for many decades through OCC. In April of 2006, Ruth was honored for 30 years of service to the college and community with a plaque in the Theater foyer that states: “This is the house that Ruth built.” She was a dedicated employee who provided artistic opportunities to students and community members.

OCC theater students and staff have worked since Ruth Henry’s death to honor her dedicated service to the college. The community, students and staff have planned to celebrate her service prior to the first Spring play performance on March 11, 2016 and would like to formally dedicate the stage in her name. The community also has responded to calls to celebrate her life and service by establishing a scholarship in her name through the OCC Foundation. More than $5,000 has been raised for the Ruth Henry Scholarship.

I would ask that the Board approve the request of the community, students and staff that a plaque be placed near the stage in her honor.

New Maintenance Fee Charge
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: February 16, 2016
RE: New Maintenance Fee Charge

The uncertainty of the state to fund the community college system has forced the Cabinet to review the District’s current tuition rates and fees and other community college tuition rates and fees.

Based on this review, it is the recommendation of the Cabinet to implement a $10 per credit hour mandatory Maintenance Fee, which will raise approximately $1.1 million dollars per year.

This new fee would be effective Summer Term 2016 and would be used to support the maintenance and infrastructure of the colleges.

I recommend that the Board approve the new $10 per credit hour Maintenance Fee.

Allied Health Tuition Rates Effective Summer Term
MEMORANDUM

TO:          Board of Trustees
FROM:       Terry L. Bruce
DATE:      February 16, 2016
RE:     Allied Health Tuition Rates Effective Summer Term 2016

The District operates a highly professional nursing program at each of the four colleges. Graduates from the program who take the NCLEX have a high passage rate, indicating the high standards maintained by the program.

The Cabinet has reviewed the District’s current Allied Health (AH) tuition rates, and the Allied Health tuition rates at our peer institutions. Based on this review, it is the recommendation of the Cabinet to establish the Allied Health Tuition Rates per credit hour effective Summer Term 2016 as follow:

<table>
<thead>
<tr>
<th></th>
<th>Proposed AH Tuition Rates</th>
<th>Current AH Tuition Rates</th>
</tr>
</thead>
<tbody>
<tr>
<td>In-District</td>
<td>$140.00</td>
<td>$124.50</td>
</tr>
<tr>
<td>Special Out-of-District</td>
<td>$160.00</td>
<td>$142.50</td>
</tr>
<tr>
<td>Indiana Students in</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Designated Counties</td>
<td>$190.00</td>
<td>$180.00</td>
</tr>
<tr>
<td>Out-of-District</td>
<td>$450.00</td>
<td>$402.61</td>
</tr>
<tr>
<td>U.S. Resident/Out-of-State</td>
<td>$555.00</td>
<td>$495.91</td>
</tr>
<tr>
<td>Non U.S. Resident</td>
<td>$555.00</td>
<td>$495.91</td>
</tr>
</tbody>
</table>

These Allied Health tuition rates were chosen based on the high demand of the Nursing and Radiography programs which have greater associated costs to run and whose participants have the opportunity for competitive wages upon graduation. The District has carefully reviewed all aspects of this increase in Allied Health tuition and feel it is a fiscally responsible requirement without affecting access to education and allows the District to remain competitive with peer institutions.

I recommend the Board’s approval of these Allied Health Tuition Rates for the following courses effective with the Summer Term 2016.

Corrected Special Warranty Deed for Transfer to FCC Foundation
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: February 16, 2016
RE: Corrected Special Warranty Deed for Transfer to FCC Foundation

At the September 15, 2015 regular meeting of the Board of Trustees, the Board approved the sale of 1.16 acres of District property to the Frontier Community College Foundation. To comply with title insurance company requirements, the Board, on November 17, 2015 approved the deed of conveyance.

Following the Board action on November 17, 2015, the Foundation entered into negotiations with Kieffer Development, LLC concerning the sale of the property. As part of that sale, Kieffer Development offered to add a 98 X 61 extension to the existing student parking lot located west of the existing Workforce Development Building.

That expansion would be done at the expense of Kieffer Development and in exchange the District would convey an easement over its existing parking lot. The original deed indicated that Kieffer Development would stabilize the soil under the existing parking lot and the extension and maintain both the lot and the extension in the future by spreading and maintaining a minimum of six inches of CA6 aggregate base on the existing parking lot and the parking lot extension. That was a misunderstanding of the agreement between the FCC Foundation and Kieffer Development. This corrected deed conveys the property and the easement, but does not require the stabilization of the soil under the existing parking lot.

I ask the Board’s approval of this Corrected Special Warranty Deed and the easement contained therein.

consultation with the FRONTIER COMMUNITY COLLEGE lead faculty. The lead faculty will
periodically visit the AGENCY for the purpose of evaluation and discussion with the AGENCY Supervisor.
4. The use of AGENCY facilities will be consistent with, and in conformity with all applicable rules, regulations, and policies of the AGENCY. The student(s) will be given the same consideration as employees in regard of safety, health, and general employment conditions. The AGENCY will retain full and final decisions for assignments made to the student(s). The FRONTIER COMMUNITY COLLEGE lead faculty will be notified of any concerns or issues during the internship. The student(s) shall be subject to discharge at any time because of inefficiency or because of conditions within the AGENCY. The process will be cleared through the FRONTIER COMMUNITY COLLEGE lead faculty who will remove the student(s) from the internship.

5. If a physical exam or TB test is required, these will be scheduled through AGENCY with no cost to the student.

The agreement forbids discrimination against any student on the basis of age, color, race, national origin, gender, religion, or disability unrelated to the reasonable physical requirements of the job.

6. The student(s) and lead faculty will respect the confidential nature of all information which may come to them with regard to patients and AGENCY records.

7. The status of the student intern(s) should be that of student learner(s). Any schedule of compensation shall be agreed on by the AGENCY, FRONTIER COMMUNITY COLLEGE lead faculty and student(s). Compensation is not a requirement. Neither FRONTIER COMMUNITY COLLEGE nor AGENCY hereto will be paid any monetary reimbursement as such by the other party heretofore for the contemplated program, or for use of either party’s facilities by the other party. Neither party heretofore will have any responsibilities or liabilities to the other party, or its employees, or students, or anyone participating in the contemplated program. Student(s) shall be covered by professional liability insurance through FRONTIER COMMUNITY COLLEGE prior to any assignment at the AGENCY.

8. An annual review of the agreement may be made in December of each year, as requested by facility, if either party requests the review. If AGENCY wants to continue with agreement, no action should be taken. If AGENCY wishes to review and modify AGREEMENT,
contact should be made with FRONTIER COMMUNITY COLLEGE. Either party hereto may terminate this AGREEMENT by at least one (1) school calendar year’s written notice to the other party. All students enrolled in FRONTIER COMMUNITY COLLEGE’s Health Informatics Program, and participating in the program contemplated herein at the time that notice to terminate this AGREEMENT is given by either party to the other, shall be permitted to complete their experience needed for graduation at the AGENCY.

9. AGENCY may require the removal of a student, if this is deemed necessary by the AGENCY in the interest of patient care.

The student(s) subject to this agreement are not agents or employees of the AGENCY.

FRONTIER COMMUNITY COLLEGE will maintain for each Student and faculty member assigned to AGENCY professional liability insurance in minimum amounts of One Million Dollars ($1,000,000.00) per occurrence, Three Million Dollars ($3,000,000.00) annual aggregate. If FRONTIER COMMUNITY COLLEGE procures professional liability coverage that is not on an “occurrence basis,” FRONTIER COMMUNITY COLLEGE or Student shall, at all times, maintain insurance coverage for medical professional liability directly or indirectly resulting from acts or omissions of FRONTIER COMMUNITY COLLEGE’s employees and agents (including Student), occurring in whole or in part during the term of this agreement (“Continuing Coverage”). In addition, FRONTIER COMMUNITY COLLEGE shall maintain general liability insurance on an occurrence basis for FRONTIER COMMUNITY COLLEGE and all its Students, employees, and faculty members participating in training programs at AGENCY. The limits for general liability shall be One Million Dollars ($1,000,000.00) per occurrence, Two Million Dollars ($2,000,000.00) annual aggregate.

FRONTIER COMMUNITY COLLEGE shall also maintain workers’ compensation insurance for any employees of FRONTIER COMMUNITY COLLEGE performing services under this agreement. FRONTIER COMMUNITY COLLEGE shall furnish AGENCY with a certificate of insurance before the beginning date of each Student’s assignment at the AGENCY. Such certificate of insurance shall provide that AGENCY shall receive thirty (30) days’ written notice prior to the effective date of any cancellation of such insurance.
FRONTIER COMMUNITY COLLEGE agrees that it and its students and faculty will comply with the purpose and standards recommended by The Joint Commission.

IN WITNESS WHEREOF, the undersigned signatures have caused this instrument to be executed by its duly authorized officials the 19th day of January, 2016.
