The CEO recommended approval of the agreement.
Illinois Eastern Community College and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

Specifically, students enrolled in the Nursing AAS (ADN) program at Illinois Eastern Community College will be conditionally admitted to the baccalaureate Nursing BS program at EIU, upon meeting program admission requirements. Full unconditional admission will be granted upon meeting that criteria for the RN to BS in Nursing Program.

2. The courses listed in the attached prescribed Illinois Eastern Community College Nursing AAS transfer guide have been reviewed and accepted for transfer to EIU.

3. Relationships between Illinois Eastern Community College and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement.

4. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.

5. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.

6. Appropriate publications and promotional materials regarding this agreement will be made available to all Illinois Eastern Community College students.

7. Either EIU or Illinois Eastern Community College may dissolve this agreement by giving one year’s advance notice to the cooperating institution’s president or academic vice president.

Policy First Reading (and Possible Approval)

Withdrawal Policy 500.30
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: January 19, 2016
RE: Withdrawal Policy 500.30

Students may add, drop, or withdraw from courses during specifically set forth days as established by IECC and published in the official academic calendar, the college catalog, and in the procedure manual. To specifically address student initiated withdrawals and administrative withdrawals after the refund period, the following new Withdrawal Policy 500.30 has been developed which outlines the requirements for these withdrawals.

I recommend the Board waive the second reading and approve Policy 500.30 effective Fall Semester 2016.

Withdrawal Policy (500.30)

Date Adopted:

This policy will be effective beginning the Fall 2016 semester.

Students may add, drop, or withdraw from courses during specifically set forth days as established by IECC and published in the official academic calendar, the college catalog, and in the procedures manual.

Refund Period
A refund of 100 percent of the tuition and fees will be made to a student who withdraws during the first 10 business days of a sixteen-week course period and the first 5 business days of an eight-week course period or the proportionate time of any other course not conforming to a sixteen-week or eight-week schedule.

Academic Record
Courses dropped before the start of a semester do not become part of a student’s academic record. If a student withdraws during a refund period, a W (withdraw) becomes part of the student’s academic record. A student who withdraws after the refund period also will have a W as part of his or her academic record. Failure to follow the official withdrawal policy will result in a grade of F.

Student Initiated Drop or Withdrawal
Each student is responsible for initiating a drop or withdrawal request by contacting Student Services at each college and completing a Course Change Form (withdrawal form). The student is encouraged to meet with the instructor, his or her Retention Coordinator, and the Financial Aid Officer before withdrawing from any course.

Withdrawal requests must be received in Student Services no later than two weeks prior to the end of any regular length semester. Students are advised to contact Student Services for withdrawal deadlines for courses not conforming to a sixteen-week schedule.

Administrative Withdrawal
Prior to an administrative withdrawal, the instructor should submit a Progress Report to allow the Retention Coordinator or academic advisor to contact the student. If there is no resolution, i.e. a student-initiated withdraw, an instructor may recommend an administrative withdrawal after mid-term if a student who ceases to attend or whose pattern of absences causes the faculty member to seriously question the intent of the student to further pursue the course. The administrative withdrawal must be approved by the Dean of Instruction. The Student Services/Student Records Office will notify the student and Financial Aid Director of the student’s administrative withdrawal.
Faculty may request to withdraw a student from their courses with a failing grade due to plagiarism, cheating, or other gross infractions as stated in the attendance and academic integrity policy and statements on the course syllabi upon review and approval by the Dean of Instruction.

IECC also has the authority to administratively withdraw a student from classes for the following reasons:

- Registration in violation of college regulations and requirements (academic ineligibility to register);
- Failure to pay tuition and fees by established due date;
- Disciplinary suspension or dismissal for the remainder of an academic semester or longer;
- Severe psychological or health problems such that a student cannot be permitted to continue in attendance; and
- Other reasons deemed appropriate by the proper administrative staff such as the President or Dean of Instruction.

Policy to Protect Academic Standing of Dual Credit Students (Policy 500.29) specifically applies to students who are not successful in dual credit courses that follow the high school calendar and may withdraw from the college course after the college drop date to protect their academic standing.

TO:      Board of Trustees
FROM:    Terry L. Bruce
DATE:    January 19, 2016
RE:      Employee Satisfaction Survey Results

In the fall of each year, IECC employees are given to review the operation of the District and its four colleges.

Employees identify their work location, classification, whether they were employed full or part-time and their years of service. The employees review health and dental benefits, information availability, personnel changes, website quality, equipment and technology needs, and a variety of other questions concerning their employment. Detailed survey results have been emailed to the members of the Board.

For FY16, some of the highest areas of satisfaction were:

- 99% The IT Help Desk resolving issues to employee satisfaction.
- 99% The IT Help Desk providing professional, courteous, and timely technical support.
- 98% The location of information on the IECC and/or College websites.
- 97% The availability of administration to faculty and staff.
- 97% The overall satisfaction with employment.
- 95% The recommending IECC to a prospective student or employee.

Overall, the survey results show that employees are satisfied with their employment and the operation of the District.

I ask the Board’s acceptance of the FY16 Employee Satisfaction Survey results.

MEMORANDUM

FROM: Terry L. Bruce  
DATE: January 19, 2016  
RE: Intergovernmental Agreement with Fairfield Park District

Frontier Community College has begun a softball team and has cooperated with the Fairfield Park District to utilize an existing softball diamond owned by the Park District.

Because of NJCAA regulations, many modifications had to be made to the softball diamond to make it compliant. The necessary work has been done at the expense of Frontier.

In exchange for these required modifications, the Park District has agreed to execute an intergovernmental agreement which designates that Frontier will have sole responsibility for the operation and maintenance of the softball diamond for the next twenty-five years.

I ask the Board’s approval of the attached intergovernmental cooperation agreement with the Fairfield Park District.

Proof of such insurance shall be given by each party by way of a certificate of insurance to be provided to the other party no less frequently than annually and when otherwise requested by the other party.

The Park District agrees to defend, indemnify and hold harmless Frontier, its officers, agents, contractors and employees harmless of and from all liabilities and claims of liabilities arising out of the Park District's use by the general public of the facility.

Frontier agrees to defend, indemnify, and hold the Park District, its officers, agents, contractors, and employees harmless of and from all liabilities and claims of liabilities arising out of Frontier's use of the facility when scheduled for use by Frontier.

Unless either party notifies the other within the last year of this agreement, this agreement shall terminate at the date specified. If neither party exercises its right of termination or extension of the initial term or of its desire not to extend the Agreement, the Agreement shall be extended for additional successive one year terms upon the same terms as then existing. In the event of the termination of this Agreement by either party as above provided, such party shall be responsible for all obligations incurred by it during the term of this Agreement. Upon termination of the Agreement, all real estate and improvements made subject hereof shall be the sole property of the Park District.

5. Binding Effect

This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and assigns; provided, however, that neither party shall have the right to assign its interest in this Agreement either voluntarily or by operation of law without the prior written consent and approval of the other party.

6. Amendment

This Agreement constitutes the entire agreement of the parties and may be altered, modified or amended duly upon the written consent and agreement of both parties after approval by the governing body of each party as required by law.

RE: 2016 Semi-Tractor for West Richland Center

The following bid recommendation is based upon the lowest responsible bid, considering conformity with specifications, terms of delivery, quality and serviceability.

The lowest bid tractor did not include a “wet kit” while the tractor recommended does include the wet kit. The truck specs included a power take off (PTO) to operate a hydraulic pump to raise and lower attached trailers. To operate the PTO, a wet kit is necessary to handle the hydraulic fluid necessary to operate the hydraulic pump. The wet kit is necessary to make the truck complete for its intended purpose.

Business Procedure 300.21 allows the District to award bids to the vendor whose bid is responsive to the solicitation and is most advantageous to the District when considering price, quality, and other factors. Because the recommended tractor includes a wet kit, it is deemed more advantageous to the District.

The Bid Committee recommends acceptance of the base bid received that meets all specifications from VoMac Truck Sales for a total of $123,918.82, and also acceptance of the bid for Alternate #1 from VoMac Truck Sales for a 3-year extended warranty beyond the factory warranty for $15,817.00. The total bid recommendation for both the base bid and the warranty is $139,735.82.
