To that end, and in accordance with federal and state law and Board of Trustees’ policy, IECC prohibits any member of the faculty, staff, administration, or student body, regardless of the sex of the other party, from sexually harassing any other member of the IECC community. Violation of this policy shall be considered grounds for disciplinary action up to and including discharge or expulsion.

**Defining Sexual Harassment**

Sexual harassment means any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature that is sufficiently persistent or offensive to unreasonably interfere with an employee’s job performance, a student’s educational performance, and/or creates an intimidating, hostile or offensive working or educational environment. Sexual harassment is defined by the Equal Employment Opportunity Commission Guidelines as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example: of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or educational development; (2) submission to or rejection of such conduct by an individual is used as a basis for employment or education decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual’s work or educational performance or creating an intimidating, hostile, or offensive working or educational environment.

Under Title VII of the Civil Rights Act of 1964, there are two types of sexual harassment: (1) quid pro quo and (2) hostile work or learning environment. Sexual harassment can be physical or psychological in nature. A combination of a series of incidents can constitute sexual harassment even if one of the incidents considered on its own would not be harassing.

**Examples of Sexual Harassment**

Sexual harassment includes, but is not limited to, gender-specific comments; verbal innuendo, insults, threats and jokes of a sexual nature, sexual propositions, making sexually suggestive noises, leering, whistling, obscene gestures, touching, pinching, brushing the body, coercing sexual intercourse, sexual assault, or any behaviors or actions which might create a sexually hostile environment. Though sexual harassment encompasses a wide range of conduct, some examples of specifically prohibited conduct include the following:

- **Physical assaults of a sexual nature, such as rape, sexual battery, molestation, or attempts to commit these assaults, and intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another employee or student’s body or poking another employee or student’s body.**

- **Unwelcome sexual advances, propositions or other sexual comments, such as sexually oriented gestures, noises, remarks, jokes or comments about a person’s sexuality or sexual experience.**

- **Preferential treatment or promises of preferential treatment to an employee or student for submitting to sexual conduct, including soliciting or attempting to solicit an employee or student to engage in sexual activity for compensation or reward.**
Subjecting, or threats of subjecting, an employee or student to unwelcome sexual attention or conduct or intentionally making the employee’s job performance or student’s educational performance more difficult because of that employee or student’s sex.

Sexual harassment also includes, but is not limited to, occurrences where a student, District employee or representative, either explicitly or implicitly, treats submission to or rejection of sexual conduct as a condition for determining:

1. whether a student will be admitted to a college, or a person will be employed by the District;
2. the educational or work performance required or expected;
3. the attendance or assignment requirements applicable to a student or employee;
4. to what courses, fields of study or programs, including honors, a student will be admitted;
5. what placement or course proficiency requirements are applicable to a student and professional advancement opportunities are available to an employee;
6. the quality of instruction a student will receive;
7. what tuition or fee requirements are applicable to a student;
8. what scholarship opportunities are available to the student;
9. what extracurricular teams a student will be a member of or in what extracurricular competitions a student may participate;
10. any grade a student will receive in any examination or in any course or program of instruction in which a student is enrolled;
11. any performance evaluation, promotion or other employment benefit an employee may receive;
12. the progress of the student toward successful completion of or graduation from any course or program of instruction in which the student is enrolled; or,
13. what degree, if any, the student will receive.

Sexual harassment between students, neither of whom is employed by IECC, should be reported to the appropriate investigators.

The Chief Executive Officer has designated a minimum of two persons to hear and investigate cases of alleged sexual harassment (See Appendix A.). A student or staff member who believes that he/she has been the victim of sexual harassment should immediately report such conduct to one of these designated persons and complete the Sexual Harassment allegation form. RE: 100.30 Emergency Succession

A recent health incident with the Chief Executive Officer highlighted the need to prepare a plan for replacement of key administrative personnel following a sudden, rather than planned, loss of key administrative personnel.

The proposed policy provides administrative guidelines for the interim replacement of the Chief Executive Officer, the Chief Finance Officer, the Dean of Academic and Support Services and Chief Academic Officer, the Director of Human Resources, the Director of Information and Communications Technology, College Presidents, and the Dean of Workforce Education.

In each required, sudden replacement, a policy has been developed which creates a team of key administrators to direct and assign the work done by the administrative person who is unable to complete his or her assigned duties.

I ask the Board’s approval of this Emergency Succession Policy.

Emergency Succession Policy (100.30)

Date Adopted: October 20, 2015 (pending Board approval)

Succession planning is a priority for Illinois Eastern Community Colleges. It is an ongoing process that provides guidance for the Board and administration during times of sudden, rather than planned, losses in key leadership roles. Reasonable exceptions may be implemented given special context.

I. Administrative Succession

Illinois Eastern Community Colleges’ succession plan includes succession planning for the key administrative and critical function area positions that require highly specialized skills. Positions identified as critical and key administrative include, but are not limited to, Chief Executive Officer, Chief Finance Officer/Treasurer, Dean of Academic & Student Support Services & Chief Academic Officer, Director of Human Resources, Director of Information & Communications Technology, College Presidents, and the Dean of Workforce Education. Critical positions outside of named key administrative and professional function areas, that require specialized skills may need succession plans. The administrative cabinet will identify these positions and develop succession plans in respective areas. Succession plans do not entitle positions, promotions, or transfers to employees. These plans will be reviewed annually or as needed and retained by the Human Resources Department.

II. Chief Executive Officer Succession

In the event of a sudden loss of the services of the Chief Executive Officer (CEO), the Board shall, in most cases, appoint an acting Chief Executive Officer or an Interim Management Team for the College District to address immediate services. For an extended term appointment, the Board may appoint an interim Chief Executive Officer until a new CEO is named from a standard process. The acting or interim Chief Executive Officer or Interim Management Team will perform all duties and functions of the CEO as required by Board policy and law. All actions and transactions conducted by the Interim Chief Executive Officer or Interim Management Team will be made with consideration of the scope of the budget and interests of the College. At least two other executives in the CEO’s administrative Cabinet will be familiar with Board and CEO issues and processes.

III. Interim Management Team

The Interim Management Team shall have the duties and obligations as set forth in the Chief Executive Officer Succession plan. Members of the Interim Team for the following positions would include:

Chief Finance Officer/Treasurer
Dean of Academic & Student Support Services and Chief Academic Officer

RE: Student Optional Disclosure of Private Mental Health Information Policy

In accordance with the Student Optional Disclosure of Private Mental Health Information Act (IL 099-0278), Illinois Eastern Community Colleges will ensure that, at or near the time that an incoming student enrolls, he or she is provided the opportunity to authorize in writing the disclosure of certain private mental health information to a designated person.

The purpose of the Act is to allow students the opportunity to designate a contact person in the event that a qualified examiner deems the student a threat to themselves or to others. The Act specifically states that the District must prepare a form, policy and a supporting procedure. Additionally, the Act states that the District must ensure that every new student is given the opportunity to complete and submit the form and provide space on the form for the student to authorize or decline to authorize the disclosure of information.

I ask the Board’s adoption of the Student Optional Disclosure of Private Mental Health Information Policy.

Final Property Tax Agreement with Marathon 2015-2018
MEMORANDUM

TO: Board of Trustees

FROM: Terry L. Bruce

DATE: October 20, 2015

RE: Final Property Tax Agreement with Marathon 2015 – 2018

At the August 18, 2015, regular Board meeting, the Board of Trustees adopted the tentative property tax agreement that had been agreed to by the taxing bodies of Crawford County and Marathon on July 30th, with the understanding that additional clarifying language would be added to the final agreement. On October 10, 2015, a final draft of the settlement agreement was agreed to and the dollar figures set forth in the tentative property tax agreement were maintained and will cover the period 2015-2018.

The final agreement calls for the previously negotiated EAV of $163,609,000 to increase to $192,606,294. From that value, there is a laboratory abatement amount of $2,248,259 which means that the net EAV for 2015 will be $190,358,035 (In the tentative agreement this amount was $185,218,862.). Marathon has agreed to a 1% escalator in the value of the property each year 2015-2018. Therefore, the values for the entire agreement are as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>2015</td>
<td>$190,358,035</td>
</tr>
<tr>
<td>2016</td>
<td>$192,261,615</td>
</tr>
<tr>
<td>2017</td>
<td>$194,184,231</td>
</tr>
<tr>
<td>2018</td>
<td>$196,126,073</td>
</tr>
</tbody>
</table>

Further, Marathon has agreed to a $2 million payment to the taxing bodies payable $1 million in 2015 and $1 million in 2016. The payment is to be divided according to the taxing bodies’ percentage of the total tax levy. (The actual payment amount to each taxing body for each year is set forth in the intergovernmental agreement.)

I would ask the Board to approve the EAV values agreed to by the taxing bodies for the 4-year period 2015 – 2018 and accept the 1% escalator agreement and approve the $2,000,000,000 direct payments to the taxing bodies in 2015 and 2016.

(b) It is the intent of the Parties that the equalized assessed values specified in Paragraph 3(a) above will be the final assessments after imposition of all multipliers. If the imposition of a multiplier by the Department of Revenue or any other agency of the State of Illinois would result in an equalized assessed value which differs from the amount specified in this Agreement, the Parties shall make all efforts to correct the assessed value by any statutory means available (such as Certificate of Error) or other means prior to the due date of tax payments.

(c) The aggregate equalized assessed values set forth in Paragraph 3(a) above do not include the value of any new improvements, replacements, or additions to the Refinery under construction as of January 1, 2015 or any new improvements, replacements, or additions to the Refinery on which construction commences after January 1, 2015. Any new improvements, replacements, or additions to the Refinery completed subsequent to January 1, 2015 shall be assessed by the Supervisor of Assessments in the year first following completion of the new improvement, replacement, or addition. However, the taxes attributable to the resulting increase in assessed value shall be abated pursuant to the Robinson/Crawford County Enterprise Zone Ordinance. Furthermore, the aggregate equalized assessed values set for in Paragraph 3(a) above shall not be reduced as the result of any new or additional items at the Refinery being certified as pollution control facilities by the Illinois Pollution Control Board.

(d) For tax years 2019 and thereafter, the aggregate equalized assessed value of the Refinery shall be determined in accordance with the provisions of the Illinois Property Tax Code. The terms and conditions of this Agreement shall not affect the determination of the equalized assessed value, or bar any Party from advocating any value for: (1) new improvements, replacements, or additions to the Refinery under construction as of January 1, 2015; (2) any new improvements, replacements, or additions to the Refinery on which construction
commences after January 1, 2015; (3) the Refinery as a whole; or (4) the Pollution Control Facilities, after tax year 2018.

4. For tax years 2015 through 2018, the aggregate equalized assessed value of the Pollution Control Facilities shall be as determined and published by the Illinois Department of Revenue.

5. In addition to the real property taxes billed to Marathon for the Refinery and the Pollution Control Facilities based on the values listed under enumerated paragraph 3(a), Marathon shall make two (2) cash payments, in lieu of taxes and in consideration of this Agreement and the dismissal of the IDOR Case, each in the amount of One Million Dollars ($1,000,000.00) directly to the Treasurer for the benefit of the Taxing Districts. The first One Million Dollar ($1,000,000.00) cash payment shall be made by Marathon to the Treasurer thirty (30) days after dismissal of the IDOR Case with prejudice or December 1, 2015 whichever is the later to occur. The second One Million Dollar ($1,000,000.00) cash payment shall be made by Marathon to the Treasurer on December 1, 2016. The Treasurer shall distribute the cash payments received from Marathon to the Taxing Districts pursuant to the terms of the Robinson Refinery Real Property Tax Assessment Settlement Intergovernmental Agreement entered into between the Treasurer and the Taxing Districts.

6. The Parties agree that if any legislative or administrative changes occur in any statutes, laws, rules, regulations, or by court or administrative decisions which would have an effect of increasing or decreasing the equalized assessed value of the Refinery, the equalized assessed value of the Refinery shall remain as specified in this Agreement for tax years 2015 through 2018. The Parties further agree to cooperate in the pursuit of a legal or administrative remedy so as to achieve the equalized assessed values provided in Paragraph 3(a) above. The equalized assessed values set forth in Paragraph 3(a) above do not include the value of any
improvements, which have been certified by the Illinois Pollution Control Board as pollution control facilities.

7. If an accidental event such as a fire or natural disaster renders the Refinery unfit for customary use, Marathon may file an application for assessment reduction pursuant to the provisions of 35 ILCS 200/9-180.

8. The Parties agree not to challenge the terms of this Agreement, directly or indirectly, and shall not provide any financial support for litigation or otherwise participate directly or indirectly in litigation seeking to increase or decrease the assessed values set in conformity with Paragraphs 3 and 4, or to increase or decrease any tax payments or cash payments made or to be made by Marathon as a result of this Agreement. Notwithstanding the forgoing, if any non-party to this Agreement files an appeal, complaint or petition seeking to increase or decrease the assessed value of the Refinery, the assessed value of the Pollution Control Facilities, or the cash payments to be made by Marathon above or below the amount specified in this Agreement, then the Parties shall have the right and obligation to appear in the proceeding for the purpose of advising the court or administrative agency that they support the validity and enforceability of this Agreement and the assessments, taxes, and cash payments made or to be made by Marathon as a result of this Agreement. If the Taxing Districts, or any of them, file an appeal, complaint or petition seeking to increase the assessment of the Refinery or the Pollution Control Facilities or the cash payments to be made by Marathon, Marathon shall have the right to intervene in any such proceedings to enforce the terms of this Agreement and to respond to any and all such allegations. If Marathon files an appeal, complaint or petition seeking to decrease the assessment of the Refinery or the Pollution Control Facilities or the cash payments to be made by Marathon, any one or more of the Taxing Districts shall have the right
to intervene in any such proceedings to enforce the terms of this Agreement and to respond to any and all such allegations.

9. The Agreement shall be in full force and effect until December 31, 2019. Notwithstanding termination of this Agreement:

(a) Each Party may exercise its rights under this Agreement and each Party shall have all its obligations under this Agreement after December 31, 2019 but only with respect to levies, assessments and taxes or litigation associated therewith for tax years 2015 through 2018; and

(b) Each Party may initiate litigation with regard to any claim of breach of any terms or conditions of this Agreement by any other Party within the applicable time period of any statute of limitations or statute of repose, but in no event later than December 31, 2019; and

(c) It is expressly understood that prior to termination of this Agreement any Party to this Agreement has the right to prepare for matters relating to the assessed valuation of the Refinery and Pollution Control Facilities for tax years 2019 and thereafter.

10. This Agreement shall become effective upon execution of the Agreement by all Parties and shall be null and void and of no force or effect whatsoever unless all Parties approve and execute this Agreement in full.

11. Marathon shall not file, nor be a party to, nor provide any financial support to, any tax rate objection or tax objection complaint against any of the Taxing Districts for tax years 2014 through 2018.

12. The Parties acknowledge that the assessments set forth in Paragraph 3(a) are the result of a compromise of disputes relating to the real property tax assessment of the Refinery and the Pollution Control Facilities. The terms and conditions of this Agreement shall not affect the determination of the equalized assessed value, or bar any Party from advocating any value of the Refinery or Pollution Control Facilities, after tax year 2018.
13. City of Flora and Villages of Clay City, Louisville, and Xenia Enterprise Zone
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: October 20, 2015
RE: City of Flora and Villages of Clay City, Louisville, and Xenia Enterprise Zone

At the September Board meeting, the Board of Trustees adopted a resolution dealing with approving an Enterprise Zone for the City of Flora, which provided for a 50% property tax abatement, limited to new construction, expansion or rehabilitation of industrial projects for ten years, and that such abatement would not extend beyond the life of the enterprise zone.

Following the IECC Board action, the Clay County Board, and the Villages of Clay City, Louisville, and Xenia asked the City of Flora to include all of Clay County and the Village of Clay City, Louisville and Xenia in the Enterprise Zone application.

However, the resolution being considered by the Board of Trustees only abates taxes in the City of Flora portion of said Enterprise Zone.

I ask the Board’s approval of the City of Flora/Clay County Enterprise Zone.

Employee Background Check Vendor
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: October 20, 2015
RE: Employee Background Check Vendor

The District’s insurance company requires that the District conduct a criminal background check on each new hire. In 2012 the Board approved using Certified Background as the vendor for the background checks. In reviewing the services provided by Certified Background and comparing them to services provided by Bushue HR, the administration believes that a change of the District’s vendor for employee criminal background checks is warranted. Certified Background provides the services listed below for a cost of $40 and Bushue lists those services and additional services for a cost of $32.

Employee Health and Dental Insurance Renewal
MEMORANDUM

TO: Board of Trustees

FROM: Terry L. Bruce

DATE: October 20, 2015

RE: Employee Health and Dental Insurance Renewal

Blue Cross Blue Shield (BCBS) has proposed an overall 15.3% average rate increase for District employees’ health coverage and a 1.9% decrease in dental rates.

Beginning in calendar year 2010, the District implemented a “Qualified High Deductible Health Plan” (QHDHP) to hold down the cost of providing health care coverage to District employees and to reduce the size of annual health insurance premium increases. The District also created Health Savings Accounts (HSA) and implemented a Medical Reimbursement Plan (MRP) for eligible employees.

The administration believes the District’s QHDHP and MRP have been successful in reducing the size of increases of the District’s annual health care premiums by promoting consumerism and stressing employee ownership in their ability to affect premiums. The recent history of the District’s health rate increases follow:

<table>
<thead>
<tr>
<th>Rate Increase History</th>
</tr>
</thead>

<tr>

</tr>
<tr>

<tr>
<td>January 1, 2015 – December 30, 2015</td>
</tr>
<tr>
<td>January 1, 2016 – December 30, 2016</td>
</tr>
</tbody>
</table>

BCBS has proposed a 1.9% decrease in dental premiums. The District’s dental plan covers all full-time employees. The dental renewal rates are comparable to the rates three years ago.

The January 1, 2016 renewal for BCBS will also include language that continues to include Level 2 employees to the group of employees eligible for health insurance coverage. Level 2 employees are employees who average between 30 – 39.99 hours of service per week. These employees are eligible for health insurance benefits and they pay 9% of gross wages towards the cost of the premium for the District plan.

I recommend that the Board accept the renewal as proposed by BCBS of Illinois, to be effective January 1, 2016 to December 31, 2016. The proposed rates are attached for your review.

Health Savings Accounts, Calendar Year 2016
MEMORANDUM

TO:       Board of Trustees
FROM:     Terry L. Bruce
DATE:     October 20, 2015
RE:       Health Savings Accounts, Calendar Year 2016

Beginning in calendar year 2010, the Board had approved the offering of a Qualified High Deductible Health Plan (District Plan) to all non-faculty employees. The Board implemented a plan allowing Health Savings Accounts (HSA) that enabled qualified employees in the District Plan to set aside money in pre-tax dollars.

Bargaining unit faculty are eligible to participate in the HSA program. Pursuant to the current bargaining unit faculty contract, the Board agreed to a $1,000 HSA contribution for both calendar years 2015 and 2016 for faculty. Since the HSA program requires equal contributions, the Board will also need to contribute $1,000 to each non-bargaining unit employee’s HSA. This contribution would be only for non-bargaining unit employees working at least 40 hours of service per week.

The Board normally establishes the amount of the District’s contribution to the District Plan participant’s HSA prior to the beginning of the open enrollment period which will begin the end of October and run through early December. Recent contributions to qualified employees’ HSA are shown below:

Calendar Year 2012 - $1,000
Calendar Year 2013 - $1,000
Calendar Year 2014 - $1,000
Calendar Year 2015 - $1,000
Calendar Year 2016 - $1,000 (Recommended)

The Administration believes the District’s high deductible plan has been successful in reducing the size of premium increases. I recommend that the Board make a $1,000 contribution for Calendar Year 2016 to each qualified employee’s HSA. A qualified employee being all bargaining unit faculty employees and all non-bargaining unit employees working at least 40 hours of service per week as defined in Business Procedure 300.1 for Employee Benefits.

MEMORANDUM

TO:   Board of Trustees
FROM: Terry L. Bruce
DATE:  October 20, 2015
RE:   Resolution of Intent to Levy an Additional Tax

Section 3-14.3 of the Public Community College Act allows districts eligible for Equalization grants to levy up to the combined statewide average tax rate for educational and operations and maintenance purposes, if they currently are levying less than that amount. The Illinois Community College Board has certified that Illinois Eastern Community College District #529 is eligible to levy this additional tax. The additional tax rate allowed is 4.63 cents and the amount of the additional tax revenue would be $609,655.00.

Within ten days of the adoption of a resolution approving the District’s intent to levy the additional taxes, the District will publish a notice of its intent.

If a petition is received within 30 days of the public notice and such petition is signed by 10% or more of the registered voters in the district, then the proposed increase will be placed on the ballot at the next regularly scheduled election.

I recommend that the Board adopt the attached Resolution declaring the intention of IECC to levy an additional tax for educational and operations and maintenance purposes.
