#8-A. Consideration and Action on a Resolution of Intent to issue $3,175,000 Funding Bonds of the District to pay claims against the District: The Board is authorized by Article 3A of the Illinois Public Community College Act to issue bonds for the purpose of payment of outstanding claims of the District. At the October, 2014 Board Meeting the Board approved General Obligation Debt Certificates in the amount of $3,175,000 for repairing HVAC units at the District’s facilities.

These claims have been previously authorized and allowed for proper community college purposes. The Board determined it was in the best interest of the District that these claims be paid with proceeds from Funding Bonds, and issued public notice that the District would call a public hearing concerning the intent of the Board to sell $3,175,000 of Funding Bonds.

The District must now legally declare the Board’s intent to issue Funding Bonds, pass a resolution of a declaration of intent to issue these Funding Bonds, publish a notice of the Board’s intent to issue Funding Bonds, and allow 30 days for the filing of a petition concerning these bonds.

At the conclusion of the 30 day period for filing of petitions (on or about December 21, 2014) and following the publication of the Notice of Intention to Issue Funding Bonds, and certification that no petition was filed that would prohibit the issuance of Funding Bonds, the Board shall convene a meeting to fix the details of the issuance of the Funding Bonds and shall provide for a levy of a direct annual tax to pay the principal and interest of the Funding Bonds.
At the regularly scheduled Board meeting on January 20, 2015, the Board could approve the issuance of the bonds and provide for a tax levy.

Articulation Agreement with Eastern Illinois University
MEMORANDUM

TO: Board of Trustees

FROM: Terry L. Brue

DATE: December 9, 2014

RE: Articulation Agreement between IECC and Eastern Illinois University

The proposed articulation agreement between Illinois Eastern Community Colleges and Eastern Illinois University facilitates transfer from IECC’s Radio/TV Broadcasting A.A.S. to EIU’s baccalaureate Communication Studies with Electronic Media Production B.A. in Audio and Video with a Minor in Broadcast Meteorology.

By this agreement, IECC and EIU are forming a cooperative relationship to better serve our students with an effective and efficient transfer experience which will minimize duplication of instruction and build on community college and university learning experiences. This articulation agreement is an ongoing outcome of IECC’s and EIU’s shared interest and focus on articulation and outreach.

I recommend the Board’s approval of this agreement.

TLB/rs

Attachment
Illinois Eastern Community College (IECC) and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this articulation agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Any student who has completed a transferable associate in arts, associate in science or associate in science and arts degree at IECC consistent with the Illinois Articulation Initiative (with the required 2.00 GPA) and submits required application and supporting documentation will automatically be admitted to EIU at the junior level and will be deemed to have met EIU's lower division general education requirement.

2. Acceptance into a specific EIU program is based on the individual transferring student meeting the conditions and considerations listed for that program. Specifically, students completing the Radio/TV Broadcasting AAS at IECC will be admitted to the baccalaureate Communication Studies with Electronic Media Production BA in Audio and Video with a Minor in Broadcast Meteorology at EIU.

3. The courses listed in the attached prescribed IECC Radio/TV Broadcasting AAS transfer guide has been reviewed and accepted for transfer to EIU.

4. Relationships between IECC and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement.

5. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.

6. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.

7. Appropriate publications and promotional materials regarding this agreement will be made available to all IECC students.

8. Either EIU or IECC may dissolve this agreement by giving one years’ advance notice to the cooperating institution’s president or academic vice president.
9. This agreement is effective with the 2014-2018 academic year and is subject to renewal quadrennially.

CNA Pre-Program Requirement – Allied Health
MEMORANDUM

TO:       Board of Trustees
FROM:    Terry L. Bruce
DATE:    December 9, 2014
RE:       CNA Pre-Program Requirement – Allied Health

Illinois Eastern Community Colleges’ Associate Degree Nursing Program is certified by the Accreditation Commission for Education in Nursing (ACEN). The ACEN has become concerned that Allied Health programs across the United States require too many credit hours for an Associate Degree in Nursing.

Currently, students are required to be a certified nurse assistant (CNA) prior to admission into the Associate Degree in Nursing Program. The ACEN counts the 7 credit hours of the CNA pre-program requirement as part of the nursing program of study hours.

IECC’s ACEN site visit is scheduled in 2016. To continue to meet accreditation standards, it is recommended that the CNA pre-program requirement be removed from the nursing admission criteria, effective Fall 2016 ranking which begins February 18, 2015.

In order to continue to encourage CNA certification and therefore enhance students’ success in the nursing program, admission ranking criteria has been revised. Revised admission criteria will encourage, but not require, students to take the CNA course. Based on CNA certification/work status, the student could potentially earn up to 1 extra point toward his/her ranking score. The admission ranking score is based on the following criteria:

0.25 points – took the CNA course less than 24 months ago and on the Illinois Healthcare Worker Registry but has never been employed as a CNA

0.5 points – on the Illinois Healthcare Worker Registry and can provide documentation of working equal to or less than 400 hours as a CNA in the last 24 months

0.75 points - on the Illinois Healthcare Worker Registry and can provide documentation of working more than 400 hours but equal to or less than 800 hours as a CNA in the last 24 months

1 point - on the Illinois Healthcare Worker Registry and can provide documentation of working more than 800 hours as a CNA within the last 24 months.

I recommend approval of removal of the CNA pre-program admission requirement for the IECC Associate Degree in Nursing program.

Student Progress Report
MEMORANDUM

TO: Board of Trustees
FROM: Terry L. Bruce
DATE: December 9, 2014
RE: Student Progress Report (Jeff Gumbel)

The District has implemented a policy of assisting students through retention coordinators and career placement advisors. To assist all staff in making sure that IECC students progress normally through our colleges, Jeff Gumbel, along with Students Records adapted the original Progress Report process to an electronic system in the Entrata portal. The Progress Report system was enhanced and expanded in 2013 to accommodate the needs of the retention coordinators that allow entry of data on how a student is advancing.

The Retention Coordinators utilize the Progress Report (PR) system to follow up with students who have been identified by faculty as having issues with a course or courses. Faculty, in most cases, is the primary contact on a regular basis with students. This makes them the most likely to identify those students needing assistance. It also stresses the importance of faculty utilizing the PR system.

Jeff Gumbel will make a presentation to the Board on how the Progress Report has assisted in ensuring student success.
