AGENDA #7 – “Policy First Readings (and Possible Approval)”:

#7-A. Hazing - On August 22, 2014 the District had a risk control visit from Wright Risk Management, an arm of our property, casualty, and liability insurance carrier, Wright Insurance Co. Following the visit the carrier wanted the District to develop a Hazing Policy. Because incidences of hazing most often occur in athletics, Zach Loll, the District Athletic Compliance Coordinator, was asked to develop the attached policy.

The policy provides for accountability, a process for reporting hazing, an investigative process, a discipline process, and an appeals process.

The CEO recommended that the Board approve and adopt the Hazing Policy as presented.

Board Action: Trustee Brenda Culver made a motion to waive second reading of the policy and approve the Hazing policy as presented. Trustee William Hudson seconded the motion and on a roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: Student Trustee vote: yea. Trustees voting nay: None. Trustees absent: None. The Chair declared the motion carried.

#7-B. Assignment of Credits - In order to meet Federal Compliance requirements, Illinois Eastern Community Colleges must expand its current policy on credit hour allocation to address all modes of instruction including online and compressed formats.

The policy revisions will make clear that IECC operates with the expectation that all of our courses meet the standard course hours, out of class work expectations and include student learning outcomes, regardless of mode of instruction or length of term.

The CEO recommended the Board’s approval of the revised Policy for the Assignment of Credits.

Board Action: Trustee William Hudson motioned to approve the revised Policy for the Assignment of Credits as presented. Trustee Gary Carter seconded the motion and on a roll call
vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: Student Trustee vote: yea. Trustees voting nay: None. Trustees absent: None. The Chair declared the motion carried.

AGENDA #8 – “Policy Second Readings” – Pursuant to Board Policy, Trustee Michael Correll submitted a proposed policy change within the guidelines established by the Board of Trustees. At the September 16, 2014 regular Board meeting, the policy was read a first time, and at the request of Trustee Correll, the policy was moved to second reading for consideration at the October 21, 2014 regular Board meeting.

The proposed policy would prohibit the full-time employment of immediate relatives of Senior Administrators including the CEO, CFO, the Presidents and Deans of Instruction. A grandfather clause allows any current employee to continue in their current employment position.

The Cabinet reviewed the policy proposal on September 9th. Following that discussion, the Cabinet did not approve this policy change.

Board Action: Trustee William Hudson moved to approve the revised Policy on the Employment of Family Members as presented. Trustee John Brooks seconded the motion and on a roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Michael Correll, William Hudson. Student Advisory vote: yea. Trustees voting nay: Gary Carter, Brenda Culver, Andrew Fischer, Marilyn Wolfe. Trustees absent: None. The motion having received 3 yea votes and 4 nay votes, the Chair declared the motion did not carry.

AGENDA #9 – “Staff Recommendations for Approval” – The following staff recommendations were presented for approval.

#9-A. Certificate of Compliance with the Truth in Taxation Law: At the September 16th Board meeting, the Board approved the District’s estimated aggregate tax levy and required that notice of the District’s levy be placed in District newspapers and that a hearing be conducted on the levy pursuant to the Truth in Taxation Law.

The Board estimated the aggregate amount of taxes to be levied for the year 2014 is $4,235,000 and that the aggregate amount of taxes estimated to be levied for the year 2014 did exceed 105% of the taxes actually extended by the district in the year 2013. Public notice was placed in the following newspapers of general circulation in District, Marshall Advocate, Clark County, Clay County Advocate-Press, Clay County, Robinson Daily News, Crawford County, Toledo Democrat, Cumberland County, Prairie Post, Edwards County, McLeansboro Times-Leader, Hamilton County, Newton Press-Mentor, Jasper County, Lawrenceville Daily Record,
Lawrence County, Olney Daily Mail, Richland County, Daily Republican Register, Wabash County, Wayne County Press, Wayne County, Carmi Times, White County

The CEO asked the Board’s approval of the attached Truth in Taxation Certificate of Compliance.

**Board Action:** Trustee Brenda Culver made a motion to approve the Truth in Taxation Certificate of Compliance as presented. Trustee Marilyn Wolfe seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.

**#9-B. Certificate of Tax Levy for FY2016:** The Board must certify the District’s tax levies for FY2016, beginning July 1, 2015 and ending June 30, 2016.

In addition to the education and building fund, this certificate of tax levy will carry the statement that an additional levy must be made by each County Clerk for the outstanding bond issue and tort liability, workmen’s compensation, audit, unemployment, Medicare and other insurance.

The tax rate for FY2016 is estimated at 42.88 cents per $100 in equalized assessed valuation.

The CEO recommended that the Certificate of Tax Levy for FY2016 be approved as presented.

**Board Action:** Trustee Gary Carter made a motion to approve the Certificate of Tax Levy for FY2016 as recommended. Trustee Marilyn Wolfe seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The Chair declared the motion carried.

**#9-C. GASB Designation of Tax Levy Year:** Under guidelines established by the Governmental Accounting Standards Board (GASB), IECC may designate the fiscal year that the District’s tax levy is to be recognized as income. Currently, the District levies and extends taxes based upon a calendar year. The calendar year overlaps the District’s school year and the District’s fiscal year.

The following resolution clarifies that under GASB guidelines, taxes levied by the District for calendar year 2014 will be collected late in calendar year 2015 and that income from the collection of such funds will be allocated 100% to Fiscal Year 2016 (July 1, 2015 – June 30, 2016).

The CEO asked for the Board’s adoption of this resolution.
**Board Action:** Trustee William Hudson made a motion to adopt the resolution for the GASB Designation of Tax Levy Year as presented. Trustee Brenda Culver seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.

**#9-D. “Certification and action on a Resolution authorizing and providing for an Installment Purchase Agreement for the purpose of paying the cost of improving the HVAC in the District’s facilities, and authorizing the issuance of General Obligation Debt Certificates (Limited Tax), Series 2014, of the District”:** At the August 19, 2014 Board meeting, the Board of Trustees approved Protection, Health and Safety (PHS) project applications for HVAC upgrades across the District at a projected cost of $3.175 million.

The District has a $4.5 million statutory limit on PHS Bonds. Originally, the District plan was to issue PHS bonds for $1.285 million in December of 2014 to fund Electrical and General PHS Projects. The District would issue $3.175 million PHS bonds in December 2015. The bond proceeds would be used for HVAC upgrades in 2016.

This plan had to be revised because HVAC units are starting to fail and it has become costly to keep them operational. The District needs to do the HVAC upgrades in 2015. After conferring with bond counsel, it was decided to treat the HVAC as a maintenance project upgrade rather than as a PHS project. This plan was approved by the Illinois Community College Board. To accomplish this plan, the District will enter into an installment agreement to create a claim against the District and issue Funding Bonds to pay the claim against the District. The Funding Bonds are tax exempt and will be issued outside the PHS statutory limit. The District will issue a Debt Certificate which will be held by a banking institution.

Therefore, the District will issue PHS bonds for $1.285 million and the District will also issue $3.175 million worth of Funding Bonds to pay off the debt certificate. Both issuances of bonds will be tax exempt. The tax levy will not be impacted and will remain as contemplated by the Board.

To implement the plan, two Board actions are required. The Board must adopt a Resolution providing for an Installment Purchase Agreement and the issuance of a “General Obligation Debt Certificate, Series 2014” for paying the cost of improving the HVAC systems.

The CEO asked that the Board approve the attached Resolution authorizing and providing for an Installment Purchase Agreement and the issuance of General Obligation Debt Certificates (limited tax), Series 2014, of the District for the purpose of paying the cost of improving the HVAC systems.

**Board Action:** Trustee Marilyn Wolfe made a motion to adopt the 2014 Estimated Tax Levy Resolution as recommended. Trustee Michael Correll seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Andrew Fischer, Brenda Culver, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.
#9-E. Consideration and action on a Resolution calling a public hearing concerning the intent of the Board of Trustees to sell $3,175,000 Funding Bonds and $1,285,000 Protection, Health and Safety Bonds: The Board is authorized to issue bonds, but also is required to hold a public hearing on such issuance by the Bond Issue Notification Act (BINA). The Board needs to take action that indicates an intent to issue Funding Bonds in the amount of $3,175,000 and to issue PHS Bonds in the amount of $1,285,000.

The PHS bonds will be issued for the purpose of alterations and repairs of District facilities to protect the health and safety of students, employees, and the public. Further, the Board is authorized to issue bonds for the purpose of paying outstanding debts of the District (Funding Bonds). These bonds will be paid off in December of 2018, and will be structured in a manner to wrap around current bonds outstanding so that the tax levy to tax payers for bond and interest will not be impacted, and will stay within the Board approved tax levy limit.

The resolution states that at the regular meeting of the Board on November 18, 2014, the Board will conduct a public hearing on the issuance of Funding Bonds and PHS bonds. In addition, a Notice of Public Hearing will be published once in the legal section of a local newspaper at least 7 days, but not more than 30 days, before the hearing.

Mr. Chairman, I ask the Board’s approval of the attached Resolution calling for a public hearing concerning the intent of the Board of Trustees to issue $3,175,000 of Funding Bonds and $1,285,000 of Protection, Health and Safety Bonds.

**Board Action:** Trustee Brenda Culver made a motion to approve the Resolution Establishing Tax Levy Hearing as recommended. Student Trustee Carrie Stephens seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.

#9-F. Annual Financial Report: Pursuant to Section 3-22.2 of the Public Community College Act, each district is required to annually publish a financial statement prior to November 15, in a newspaper of general circulation in the district. Then a copy of this publication must be filed with the ICCB by December 1.

Attached is the Annual Financial Report for the District that will be published. The CEO recommended the Board approve the Annual Financial Report for the District so that it may be published locally and filed with the ICCB on a timely basis.

**Board Action:** Trustee Marilyn Wolfe made a motion to approve the Annual Financial Report as recommended. Trustee Gary Carter seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.
#9-G. Eligibility of Special Tax Levy: The Public Community College Act allows districts eligible for equalization to levy up to the combined state-wide average tax rate for education and operations and maintenance purposes if the District is currently levying less than that amount.

The Illinois Community College Board has certified that the average tax rate for education and operations and maintenance purposes is 26.81 cents per $100.00 of equalized assessed valuation. Therefore, the District is eligible to levy an additional 1.81 cents of taxes, which would generate estimated additional tax revenue of $237,128.00. If the Board were to utilize this additional levy authority, such levy would be subject to a back door referendum.

The Board of Trustees has never utilized this additional tax authority and I would recommend that it not levy the additional 1.81 cents. However, in the future as state revenues decline, the Board may want to consider this additional tax levy.

**Board Action:** Trustee William Hudson made a motion to not levy the additional 1.81 cents tax as recommended. Trustee Michael Correll seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.

#9-H. Health Savings Accounts, Calendar Year 2015: In February of 2010 the Board approved the offering of a Qualified High Deductible Health Plan (District Plan) to all non-faculty employees. The Board also implemented a plan allowing Health Savings Accounts (HSA) that enabled qualified employees in the District Plan to set aside money in pre-tax dollars.

Bargaining unit faculty are eligible to participate in the HSA program. Pursuant to the recently settled bargaining unit faculty contract, the Board agreed to a $1,000 HSA contribution for both calendar years 2015 and 2016 for faculty. Since the HSA program requires equal contributions, the Board will also need to contribute $1,000 to each non-bargaining unit employee’s HSA. This contribution would be only for each non-bargaining unit employee working at least 40 hours of service per week.

The Board normally establishes the amount of the District’s contribution to the District Plan participant’s HSA prior to the beginning of the open enrollment period which will begin the end of October and run through early December. The District has made the following contribution to each qualified employee’s HSA since implementation:

- Calendar Year 2010 - $1,500; Calendar Year 2011 - $500; Calendar Year 2012 - $1,000; Calendar Year 2013 - $1,000; Calendar Year 2014 - $1,000; Calendar Year 2015 - $1,000 (Recommended).

Administration believes the District’s high deductible plan has been very successful in reducing the size of premium increases.

The CEO recommended that the Board make a $1,000 contribution for Calendar Year 2015 to each qualified employee’s HSA. A qualified employee being all bargaining unit faculty employees and all non-bargaining unit employees working at least 40 hours of service per week as defined in Business Procedure 300.1 for Employee Benefits.
Board Action: Trustee Michael Correll made a motion to approve the contribution of $1,000 to qualified employee’s Health Saving Accounts for Calendar Year 2015 as recommended. Trustee Gary Carter seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The Chair declared the motion carried.

#9-I. Employee Health and Dental Insurance Renewal: Blue Cross Blue Shield (BCBS) has proposed an overall 5.6% average rate decrease for District employee’s health coverage and a 0.0% increase in dental rates.

Beginning in calendar year 2010, the District implemented a “Qualified High Deductible Health Plan” (QHDHP) to hold down the cost of providing health care coverage to District employees and to reduce the size of annual health insurance premium increases. The District also created Health Savings Accounts (HSA) and implemented a Medical Reimbursement Plan (MRP) for eligible employees.

Administration believes the District’s QHDHP and MRP have been successful in reducing the size of increases of the District’s annual health care premiums by promoting “consumerism” and stressing employee “ownership” in their ability to affect premiums. The recent history of the District’s health rate increases follow:

BCBS has proposed a 0.0% increase in dental premiums. The District’s dental plan covers all full-time employees. The dental renewal rates are comparable to the rates three years ago.

The January 1, 2015 renewal for BCBS will also include language that continues to include TIER II employees to the group of employees eligible for health insurance coverage. TIER II employees are employees who average between 30 – 39.99 hours of service per week. These employees are eligible for health insurance benefits and the district pays 25% of the monthly premium for the District plan ($177.32 for 2015) towards their elected coverage.

The CEO recommended that the Board accept the renewal as proposed by BCBS of Illinois, to be effective January 1, 2015 to December 31, 2015.

Board Action: Trustee Brenda Culver made a motion to accept the proposed premium renewal rates as proposed by BCBS of Illinois as recommended. Student Trustee Carrie Stephens seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Student Advisory vote: yea. Trustees voting nay: None. Trustees absent: None. The motion having received 7 yea votes and 0 nay votes, the Chair declared the motion carried.

The City asked for an abatement of taxes within the Enterprise Zone for those entities that have made improvements and the abatement would only be on such improvements, and that such tax abatement shall be 100% for a period of five years. The abatement would not be eligible unless the improvement exceeded a cost of $10,000.00 and the abatement only applies to industrial and commercial property.

The CEO asked the Board’s approval of the Olney/Richland County Enterprise Zone.

**Board Action:** Trustee Gary Carter made a motion to approve the tax abatement for Olney/Richland County for a change in its current Enterprise Zone as presented. Trustee Marilyn Wolfe seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. #9-L. **Approval of Tax Abatement – Jasper County:** Jasper County has applied to the State to recreate a new Enterprise Zone which would include specific parcels in Jasper County and Ste. Marie and the City of Newton and exclude from coverage that part of the Enterprise Zone in Richland County.

The tax abatement would be on a seven year sliding scale with year one and two with a 100% abatement, and year three 80%, year four 60%, year five 40%, year six 20%, and year seven 0%. The abatement would only be for industrial and commercial property.

The enterprise zone will remain in effect for 15 years following January 1, 2016 and could be extended for an additional ten year term if a review by the Enterprise Zone Board shows the Enterprise Zone has had a positive effect on economic growth.

The following changes are recommended:

1) Applicants will be required to provide a copy of a government issued photo ID for residency verification. This requirement will help verify residency and assist in admission ranking.

2) Clarification of deadline for taking COMPASS test. Added words include “Test must be taken within two years of the application deadline.”

The CEO asked the Board’s acceptance of the catalog revisions for Radiography.

**Board Action:** Trustee Brenda Culver made a motion to accept the changes to the Radiography application as presented. Trustee William Hudson seconded the motion and on a recorded roll call vote ordered by the Chair the following trustees voted yea: John Brooks, Gary Carter, Michael Correll, Brenda Culver, Andrew Fischer, William Hudson, Marilyn Wolfe. Consideration and Action on a Resolution of Intent to Issue $3,175,000 Funding Bonds of the District to Pay Claims Against the District
MEMORANDUM

TO: Board of Trustees

FROM: Terry L. Bruce

DATE: November 18, 2014

SUBJECT: Consideration and Action on a Resolution of Intent to issue $3,175,000 Funding Bonds of the District to pay claims against the District

The Board is authorized by Article 3A of the Illinois Public Community College Act to issue bonds for the purpose of payment of outstanding claims of the District. At the October, 2014 Board Meeting the Board approved General Obligation Debt Certificates in the amount of $3,175,000 for repairing HVAC units at the District’s facilities.

These claims have been previously authorized and allowed for proper community college purposes. The Board determined it was in the best interest of the District that these claims be paid with proceeds from Funding Bonds, and issued public notice that the District would call a public hearing concerning the intent of the Board to sell $3,175,000 of Funding Bonds.

The District must now legally declare the Board’s intent to issue Funding Bonds, pass a resolution of a declaration of intent to issue these Funding Bonds, publish a notice of the Board’s intent to issue Funding Bonds, and allow 30 days for the filing of a petition concerning these bonds.

At the conclusion of the 30 day period for filing of petitions (on or about December 21, 2014) and following the publication of the Notice of Intention to Issue Funding Bonds, and certification that no petition was filed that would prohibit the issuance of Funding Bonds, the Board shall convene a meeting to fix the details of the issuance of the Funding Bonds and shall provide for a levy of a direct annual tax to pay the principal and interest of the Funding Bonds. At the regularly scheduled Board meeting on January 20, 2015, the Board could approve the issuance of the bonds and provide for a tax levy.

I ask the Board’s approval of the Resolution Declaring the Intent of the District to Issue Funding Bonds in the amount of $3,175,000.

Assurance Argument HLC Open Pathway Accreditation
MEMORANDUM

TO: Board of Trustees
FROM: Mr. Terry Bruce
DATE: November 18, 2014
RE: Assurance Argument Presentation
HLC Open Pathway Accreditation Visit April 20-21, 2015

In September 2010 Illinois Eastern Community Colleges was invited to participate in the new Higher Learning Commission’s Open Pathway Demonstration Project as a Pioneer Institution in Cohort 2.

Since that time a Steering Committee, including Tara Buerster, Chris Cantwell, LeAnn Hartleroad, Chris Heindselman, Nixie Hnetkovsky and Rodney Ranes, has lead a larger committee of faculty and staff in completing an institutional Assurance Argument that will be reviewed by the Higher Learning Commission prior to our accreditation visit on April 20-21, 2015.

The Accreditation Steering Committee has completed several drafts of the Assurance Argument and will be presenting and demonstrating access to the most recent draft for the Board’s review tonight.

The Assurance Argument addresses the below five Criteria for Accreditation:

**Criterion One: Mission**
The institution’s mission is clear and articulated publicly; it guides the institution’s operations.

**Criterion Two: Integrity: Ethical and Responsible Conduct**
