Ameren Illinois Visits with Electrical Distribution Systems Class

Ameren Illinois representatives visited the Electrical Distribution Systems class on February 23 to talk to the class about what it is like to be a lineman, how to prepare to become a lineman, what the Ameren application process is like, and more.

Supervisor Brandon Koester, and Linemen Dustin Wiggins and Ryan Tinsley spoke with students, provided them with free items that will be useful for them as linemen, and let them try out their equipment and bucket truck. Students rode in the bucket with a lineman to get the experience of how their equipment works.

Graphic Arts & Design Student Wins $1,000 in LeMond’s Contest

Graphic Arts and Design student Katie Scott was the winner of $1,000 from the LeMond Chevrolet Chrysler design contest held in February. The class was participating in a “live-client” project with LeMonds, who posted their designs online for the public to vote on. Scott’s winning design is shown above at right.

Cheyanne Garrison Named TRIO Student of the Month

Cheyanne Garrison is the February 2016 Frontier Community College TRIO Student Support Services (SSS) Student of the Month. Cheyanne is taking classes at FCC to complete her Associate in Science and Arts Degree in May 2016. With a current grade point average of 3.22, Cheyanne received Dean’s List Honors for Fall 2015. Cheyanne plans to attend FCC next fall to start the newly revised Graphic Arts and Design Degree. After completion of this degree, her goal is to transfer to University of Southern Indiana or Southern Illinois University – Carbondale to major in Graphic Arts and Design.

In addition to her academic achievements, Cheyanne is serving as Co-President of the Frontier Community College TRIO SSS Club. Miss Garrison is also planning to serve the new students of Frontier Community College next year as a TRIO SSS Peer Mentor. As a Peer Mentor, Cheyanne will assist first-time college students in the TRIO SSS Program with their transition into higher education. Cheyanne has participated in many community service activities because of her involvement in the TRIO Program. These activities include making Veteran’s Day cards for veterans at the local VA Hospital, raising money for Hope Ministries in Geff, making Valentine’s Day cards for nursing home residents, donating blankets to the Wayne County Humane Society, and helping organize and coordinate SSS Club Fundraisers.

Regarding her experience in TRIO SSS, Cheyanne stated that, “Without TRIO SSS, I would not be where I am today. I would not have an amazing resume, I would not know where I wanted to go to college, I would not have even thought about job shadowing or having a possible internship, and I would not have the friendships that I currently have. I love TRIO and I would be lost without it.”

Cheyanne is a native of Fairfield and graduated from Fairfield Community High School in 2015. She lives at home with her parents, Brad and Peggy Garrison, along with her brothers Tiye and Tanner. In addition to her involvement on FCC’s campus, Cheyanne also works part time at Mach 1.
