About LTC
Lincoln Trail College is a two-year, coeducational, comprehensive, public community college offering a full spectrum of transfer, occupational, continuing education, and community service programs.

Located in Robinson, Illinois, the scenic main campus brings together contemporary buildings and picturesque settings like Miller Lake.

As one of roughly 1,100 students, you will receive one-on-one attention from your instructors and support staff.

Lincoln Trail has been recognized twice as one of the top 120 community colleges in the nation for its completion rates and has been recognized as the number one among public two-year colleges for student success. Our students finish what they start and we provide the resources.

Our small campus allows big opportunities for you to get involved and build your resume. This is your chance to experience things you never thought possible. Imagine yourself on stage performing with our award winning Statesmen Singers or aspire to join our nationally recognized Phi Theta Kappa Honor Society.

Lincoln Trail College provides you with a quality education at an affordable cost. In addition to offering affordable tuition costs to our in-district students, we offer special tuition discounts to students from 18 counties in southwestern Indiana.

The Program

A two-year occupational degree and one-year certificate are available.

This curriculum is designed to meet accreditation standards of the Commission on Accreditation of Allied Health Education Programs (CAAHEP).

Students entering the field perform clerical duties and assist in clinical situations normally associated with medical offices, clinics and other health-related settings.

While specific job duties vary, medical assistants perform clerical duties such as scheduling appointments, preparing and maintaining patient records, arranging hospital admissions, typing reports, processing health insurance forms, ordering supplies, and keeping financial records. Medical assistants also perform clinical tasks such as preparing patients for examinations, taking vital signs, assisting with first aid, collecting and processing specimens.

Students successfully completing the program may be certified in: medical assistant, EKG technician and/or phlebotomy. A background check is required of students enrolled in the program. LTC is a National Testing site for the CMA Certification Exam.
