**#9-F. FY2011 Audit:** The Illinois Community College Board (ICCB) requires the Board of Trustees to complete and approve an annual audit and that it be forwarded to the ICCB for filing by October 15. The Audit Committee comprised of Trustee Marilyn Wolfe and Trustee John Brooks met with the Chief Executive Officer, the Chief Finance Officer, and the independent auditors on September 8, 2011. The draft audit was reviewed in detail. The audit indicated that there were no adverse findings and that the District complied with generally accepted accounting principles. The Audit Committee reported on its review of the audit and its meeting with the auditors.

The CEO recommended that the Board adopt the following resolution to accept the audit and to authorize forwarding the audit to the Illinois Community College Board.

WHEREAS, 110 ILCS 805/3-22.1 of the Illinois Public Community College Act requires the conduct of an annual audit for Illinois Eastern Community Colleges District #529.

**#9-G. Tax Abatement for Champion Laboratories, Inc:** At the July 19 Board of Trustees meeting, the Board directed the CEO to prepare a Tax Abatement Resolution that the Board could consider and adopt at a later Board meeting. The resolution requires the abatement of 40% of the real estate taxes due and payable to the College District by Champion Laboratories, Inc. Such abatement will continue for a total of five years. Champion

Laboratories has indicated that if the taxing bodies involved abate taxes to be collected, Champion will plan to spend between \$4 million and \$6 million on infrastructure improvements at its Albion, Illinois facility. These expenditures will allow Champion to maintain its existing work staff and allow additional new jobs. The City of Albion and the Edwards County Unit School District have prepared resolutions to abate taxes. The City has adopted its abatement resolution, and the school district has indicated that the school board will likely adopt the resolution on September 19. The resolution of each of these taxing bodies has explicit actions required by Champion Laboratories to make the resolutions effective.

Champion Laboratories currently pays the District approximately \$26,000 per year in property taxes. A 40% reduction would reduce that amount by \$10,400 per year.

The CEO recommended adoption of the following tax abatement resolution.

### TAX ABATEMENT RESOLUTION

The Board of Trustees of ILLINOIS EASTERN COMMUNITY COLLEGE DISTRICT 529 does hereby adopt the following Resolution:

Illinois Eastern Community College District #529 (The District) is located in the counties of Clark, Clay, Crawford, Cumberland, Edwards, Hamilton, Jasper, Lawrence, Richland, Wabash, Wayne, and White. WHEREAS, the Illinois Eastern Community College Board of Trustees is empowered by Illinois Compiled Statutes 35 ILCS 200/18-165, upon majority vote of the Board, to order the County Clerk of any County within the District to abate any portion of the taxes on property of an industrial or commercial firm in the State of Illinois.

WHEREAS, the District recognizes that Champion Laboratories, Inc. is an important employer within Edwards County, Illinois and within the community college district; and,

WHEREAS, the District wishes to aid Champion Laboratories, Inc. in its efforts to retain employment in the local area; and,

WHEREAS, the District notes that Champion Laboratories has committed to expend between \$4 million and \$6 million on infrastructure improvements at its Albion, Illinois facility, which would allow Champion to maintain its current staffing levels and possibly add 250 additional jobs; and,

WHEREAS, the District collects from Champion Laboratories, Inc. approximately \$26,000 per year in ad valorem real estate taxes on property located in Edwards County; and,

THEREFORE, the District, by this resolution of the Board of Trustees hereby directs the County Clerk of Edwards County, Illinois, to abate 40% of the 2011 ad valorem taxes imposed upon real property owned by Champion Laboratories, Inc. or its successor, due and payable in calendar year 2012, and that such abatement shall continue for a period not to exceed five years.

That the Secretary to the Board of Trustees of Illinois Eastern Community College District 529 shall file a certified copy of this resolution with the County Clerk of Edwards County.

**Certificate of Compliance with the Truth in Taxation Law**

MEMORANDUM

TO: Board of Trustees  
FROM: Terry L. Bruce  
DATE: October 18, 2011  
SUBJECT: Certificate of Compliance with the Truth in Taxation Law

At the September 20, 2011, Board meeting, the Board approved the District's estimated aggregate tax levy and required that notice of the District's levy be placed in District newspapers and that a hearing be conducted on the levy pursuant to the Truth in Taxation Law which requires that all taxing districts in the State of Illinois determine the estimated amounts of taxes necessary to be levied for the year not less than twenty (20) days prior to the official adoption of the aggregate tax levy of the District.

Since the estimated aggregate amount necessary to be levied, exclusive of election costs and bond and interest costs, exceeds 105% of the aggregate amount of property taxes extended upon the levy of the preceding year, public notice was given and a public hearing was held on the District's intent to adopt a tax levy in an amount which is more than 105% of such extension for the preceding year.

The Board estimated the aggregate amount of taxes to be levied for the year 2011 is \$4,020,000 and that the aggregate amount of taxes estimated to be levied for the year 2011 did exceed 105% of the taxes actually extended by the district in the year 2010. Public notice was placed in the following newspapers of general circulation in the District,

Albion Journal Register, Edwards County  
Bridgeport Leader, Lawrence County  
Carmi Times, White County  
Clay County Republican, Clay County  
Daily Republican Register, Wabash County  
Lincoln Trail Publishing, Clark County  
McLeansboro Times Leader, Hamilton County  
Newton Press-Mentor, Jasper County  
Olney Daily Mail, Richland County  
Robinson Daily News, Crawford County  
Toledo Democrat, Cumberland County  
Wayne County Press, Wayne County

The notice was published not more than 14 days nor less than 7 days prior to the hearing. A public hearing was held in the manner and time described in the notice.

I ask the Board's approval of the attached Truth in Taxation Certificate of Compliance.

The taxing district published a notice in the newspaper and conducted a hearing, meeting the requirements of the Truth in Taxation Law, and a copy of the ad is attached.

The taxing district's aggregate levy did not exceed a 5% increase over the prior year's extension. Therefore, notice and a hearing were not necessary.

The proposed aggregate levy did not exceed a 5% increase over the prior year's extension. Therefore, a hearing was not held. The adopted aggregate tax levy exceeded 5% of the prior year's extension and a notice was published within 15 days of its adoption in accordance with the Truth in Taxation Law.

The adopted levy exceeded the amount stated in the published notice. A second notice was published within 15 days of the adoption in accordance with the Truth in Taxation Law.

**Employee Health and Dental Insurance**

MEMORANDUM

TO: Board of Trustees  
FROM: Terry L. Bruce  
DATE: October 18, 2011  
SUBJECT: Employee Health and Dental Insurance Renewal

Blue Cross Blue Shield (BCBS) has proposed an overall 7% rate increase for the District's employee health and dental insurance coverage. The new rate would cover the period January 1, 2012 to December 31, 2012. The recent history of the District's health and dental insurance coverage and rate increases follow.

**Rate Increase History**

September 1, 2009 – August 30, 2010	15% Increase
September 1, 2010 – December 31, 2010	10% Increase
January 1, 2011 – December 31, 2011	8% Increase
January 1, 2012 – December 31, 2012	7% Increase

In February 2010, the District implemented a “Qualified High Deductible Health Plan (QHDHP)” to hold down the cost of providing health care coverage to District employees and to reduce the size of annual health insurance premium increases. The District also created Health Savings Accounts (HSA) and implemented a Medical Reimbursement Plan (MRP) for eligible employees.

The District's High Deductible Health Plan and Medical Reimbursement Plan have been successful in reducing the size of increases of the District's annual health care premiums.

I recommend that the Board accept the renewal as proposed by BCBS of Illinois, to be effective January 1, 2012 to December 31, 2012. The proposed rates are attached for your review.

**Health Savings Accounts, Calendar Year 2012**

MEMORANDUM

TO: Board of Trustees  
FROM: Terry L. Bruce  
DATE: October 18, 2011  
RE: Health Savings Accounts, Calendar Year 2012

In February of 2010 the Board approved the offering of a Qualified High Deductible Health Plan (District Plan) to all non-faculty employees. The Board also implemented a plan allowing Health Savings Accounts (HSA) that enabled qualified employees in the District Plan to set aside money in pre-tax dollars.

Each year the Board establishes the amount of the District's contribution to the District Plan participant's HSA for the coming calendar year prior to the beginning of the open enrollment period.

The District's health plan document requires that the District have an open enrollment period at the end of each calendar year. During the open enrollment period, employees can change their health insurance options without the requirement of having a qualifying event.

To each District non-faculty employee's District Plan HSA, the District made the following contribution:

Calendar Year 2010	-	\$1,500
Calendar Year 2011	-	\$ 500
Calendar Year 2012	-	\$1,000 (Recommended)

The District's high deductible plan has been very successful in reducing the size of premium increases and it is appropriate that the savings in premiums be shared with employees who face higher deductibles. I recommend that the Board make a \$1,000 contribution for Calendar Year 2012 to each qualified employee's HSA.

MEMORANDUM

DATE: October 18, 2011  
RE: Outdoor Amphitheater for Wabash Valley College

Wabash Valley College has numerous social and student events. At times, the number of these events exceeds the availability of the theatre. President Fowler has suggested that an outdoor amphitheater be constructed immediately behind Main Hall.

The outdoor amphitheater would seat approximately 200 and provide a 24' X 15' stage. The estimated cost of \$8,209.00 will be fully paid for by the Wabash Valley College Foundation.

I ask the Board's approval of the construction of an outdoor amphitheater at Wabash Valley College.

**FCC Parking Lot CDB Project**

MEMORANDUM

TO: Board of Trustees  
FROM: Terry L. Bruce  
DATE: October 18, 2011  
RE: Frontier College Parking Lot Project

The State of Illinois, through its Capital Development Board (CDB), approved a project for construction of a parking lot at Frontier. The parking lot is scheduled to be located along the east side of the main entrance to the College and north of Foundation Hall.

The State set aside \$207,300 for the parking lot project. A breakdown of the original projected costs follows:

Parking Lot Materials & Labor	\$ 160,000
Contingency	\$ 16,000
Construction Admin & Reimbursables (CDB)	\$ 12,700
A & E Compensation	<u>\$ 18,600</u>
Total Estimated Project Cost	\$ 207,300

The CDB requested bids and received a bid from the lowest qualified bidder of \$ 185,000 for materials and labor and exceeded the CDB approved amount of \$ 160,000. The decision for the Board of Trustees is whether or not to proceed with the CDB project for which the lowest qualified bid exceeded the amount for materials and labor approved by the State by \$ 25,000.

The additional cost should be approximately \$ 9,000, which is the excess of the lowest qualified bid over the budget for materials, labor, **and** contingencies. However, if unforeseen circumstances use up some of the contingency budget, the additional amount due from the District could be anywhere from \$ 9,000 to as much as \$ 25,000.

There was also an alternative bid which would have added an additional 13,500 square feet of concrete to replace the existing gravel parking lot around Foundation Hall. The college would be responsible for this additional work with payment coming through the Frontier Foundation. After due consideration, the College and the Foundation wish to reject the alternative bid of \$ 66,000 and the additional concrete work could be completed at a later date.

I recommend that the Board notify the Capital Development Board that the District is willing to pay the additional cost of the project, even though the cost exceeds the amount available from the State, and also notify CDB of the Board's intent to reject the alternate bid.

**Purchase of New Telephone System**

MEMORANDUM

TO: Board of Trustees  
FROM: Terry L. Bruce  
DATE: October 18, 2011  
SUBJECT: Purchase of New Telephone System

For the past several months, Alex Cline and Jack Dunn have been working with telephone equipment suppliers for the purchase of a new telephone system for IECC and its four colleges. The current system was purchased in 1996 and is becoming expensive to maintain. Alex and Jack have reviewed proposals and have had lengthy discussions with Consolidated Communications of Mattoon (IECC's current telephone vendor), CDWG, Cisco Systems, and Frontier Communications

The estimate from Cisco was over \$400,000 without the nearly \$100,000 of additional data network equipment that would have to be purchased. In addition, the cost of replacement equipment and maintenance from Cisco continues to be the most expensive in the telephone marketplace.

Consolidated Communications and CDWG have indicated that a Shoretel phone system alone would cost \$435,000 without the required data equipment.

It is recommended that the Board accept the proposal submitted by Frontier Communications. The actual final price is being negotiated, but the price is substantially lower than the other proposals. The final price quoted will be available at the Board meeting.

Frontier not only is the lowest proposed provider, but also submitted the most detailed proposal. The system proposed includes all hardware, software, and data network equipment that would be required for a state of the art telephone system. The Mitel telephone system quoted by Frontier also allows the District to fully utilize the existing category 3 telephone cables presently in all District buildings.

Frontier Communications indicated they have 3 certified Mitel technicians in the Olney area and 8 certified technicians in Southern Illinois.

The Mitel system benefits include:

- Awarded National Joint Powers Alliance competitively bid telecommunications contract #042109-MSB on April 30, 2009. The contract has been extended until May 27, 2013
- Leader in telephone system virtualization; the entire system can run in a virtual server environment
- Calls remain connected even if a local Mitel switch is lost. Phones will connect to a remote switch until local switch is repaired.
- Mitel is the only system to have Phybridge data adapters in the base of the phones, which allows the District to use its existing category 3 cabling.

Illinois law (110 ILCS 805/3-27.1(f)) provides that purchases of telecommunications equipment, software, and services are exempt from the bid requirements of the Illinois Community College Act. Therefore, the Board can purchase this equipment based upon the quotes that have been received.

I ask the Board's approval of the Frontier Communications proposal for a new telephone system for the District.
