-----	-----	-------	-----

The Cosmetology program is a career and technical program licensed by the Illinois Department of Financial and Professional Regulation. Satisfactory progress in the program will more than meet the 1,500 hours required by the Illinois Department of Financial and Professional Regulation before taking the state licensing exam. In order to accomplish this, students are enrolled for 40 hours per week, Monday through Friday, when school is in session. Students are accepted into the program at the beginning of fall or spring semester and must complete three (3) consecutive semesters which will include one (1) summer session. In addition to tuition, cosmetology students are required to buy clinic shoes, a cosmetology kit, and textbooks. Completion of the program qualifies the student to take a state examination for registration as a licensed cosmetologist in the state of Illinois.
