

AED

Prior to emergency situation, ensure all staff are aware of AED locations and that the units are accessible after hours.

1. Confirm unresponsiveness.
2. Call 911 and begin CPR.
3. Retrieve AED.
4. Follow voice and visual prompts on AED.
5. Ask a bystander (if applicable) to notify Administration Office, ext. 1121 or ext. 1144, and wait at entrance to direct emergency responders.
