

MASSAGE THERAPY CERTIFICATE (THM C338)

FCC	LTC	✓ OCC	WVC
-----	-----	--------------	-----

The purpose of the program is to give students the skills needed for the field of massage therapy. Through the coursework within this program, students will be prepared to work in the wellness area of professional massage therapy.

Requirements after the student is accepted into the program:

1. Make an appointment to meet with academic advisor.
2. Provide evidence of CPR/First Aid certification.
3. Complete physical exam and required immunization form.
4. Complete a criminal background check request form provided by academic advisor. An unsatisfactory background check will negate program admission or result in dismissal from the program.

Upon completion of this program of study, students will be eligible to sit for the National Certification Exam in Therapeutic Massage and Bodywork.

The Massage Therapy Licensing Act stipulates that massage therapy licensure may be refused to a person who has been involved in a criminal offense, such as a felony or misdemeanor. Conviction of a criminal offense does not automatically bar licensure, but Illinois Department of Financial and Professional Regulation will take such conviction into consideration.

Professional Licensure Information

This program of study prepares students to seek a professional licensure or certification in the state of Illinois and may not meet minimum requirements for other states. See the Professional Licensure Disclosure at www.iecc.edu/licensuredisclosure for more information.

<u>Requirements</u>	<u>Credit Hours</u>	<u>43</u>
HEA 1225 Intro to Medical Terminology	V3
